FIRST STAGE OF FESTIVAL PLAN

BY BEN MIDDLETON
ben@findlenews.co.uk

NEXT summer might seem a long way off but youngsters in Honiton are already planning a big event for when the sun returns in 2010.

In February this year Lauren Smart, of Kings Mews, set up a Facebook page in an attempt to give teenagers in the town a chance to have their say on how Honiton can be improved.

So far more than 230 people have signed up to the page and some of them have joined forces to plan the Honiton Summer Fun Festival.

Miss Smart said: "A date has been set for the event and we have spoken to East Devon District Council to ask if we can use the Allhallows field.

"I want there to be a bit of everything and something for all the family. We are still at the very early planning stages at the minute but hopefully we will have live music, a bouncy castle, games and maybe even a food tent.

"The idea is to make it as cheap as possible, even free if we can."

In order to raise money for the festival, Miss Smart added that the organisers are hoping to hold several fundraising activities in the run-up.

She said: "Things are in motion and we are looking for help with raising some funds to put it all together.

"I am hoping we can hold a fundraising ball and a charity auction. Hopefully local businesses will get on board and help us out as well, after all the event will be for the benefit of everyone in Honiton."

Town councillors are due to discuss the idea at an upcoming meeting but Miss Smart has said that feedback has been positive so far.

She said: "When we first posted the idea on the Facebook page there was a lot of good feedback from the group. Then a couple of town councillors got in touch and have given us their support and the idea has just rolled on from there really."

If all goes to plan the Honiton Summer Fun Festival will take place on Saturday, August 28th next year.

Supermarket application

TESCO will hand its application for a store in Ottery St Mary to East Devon District Council on Monday, September 14th.

A joint proposal by the supermarket giant and Churchill Properties will be submitted to the planning officers.

Both Tesco and Sainsbury's want to build a store in the town and representatives from each supermarket had wanted to address the town council at an upcoming meeting.

However, the request was denied and councillors have now said that both firms must share the information with the whole town and stage a public meeting.

A date for the public meeting has not yet been released.

Keep checking this newspaper and our website for further information.

Complaints prompt mini moto warning

BY BEN MIDDLETON
ben@tindlenews.co.uk

POLICE in Honiton are urging youngsters in the town to be aware of the laws about riding a mini motorbike on public roads.

PCSO Sue Rowe, of Honiton police, has said that numerous calls have been received from residents complaining about the misuse of the bikes and that they are being used late at night.

PCSO Rowe said: "We thank

the public for these calls but we still need you to call us with information, you are our eyes and ears. These can be dangerous machines if used in the wrong hands.

"Mini motorbikes, whether petrol or electric driven, are classified in law as motor vehicles and generally fall under the category of either a moped or motorcycle depending on the output and size of the engine.

"The rider of one of these vehicles would have to comply

with all the regulations that a normal type approved vehicle would require."

Regulations include having a valid driving licence, insurance and tax. A crash helmet must also be worn when riding the vehicle. The bikes can only be used on land owned by the rider or if you have the landowner's permission. They can't be ridden on a road, footpath, pavement or land owned by a local authority.

PCSO Rowe added: "As these vehicles have not been type

approved they cannot be ridden on roads, this includes footpaths, pavements and car parks.

"If they are taken off road without the landowners permission then the rider commits an offence in respect of driving elsewhere than on a road."

Anyone who believes the riding of the mini motorbikes is causing a nuisance should contact Honiton police on 08452 777 444 or Crimestoppers on 0800 555 111.

Crews called to car ablaze

A FIRE crew from Honiton was called to reports of a car fire on Sunday, August 30th.

The incident happened at approximately 1pm in the Gronau Close and Hatcher Close area of the town.

Crews used one hose reel jet and small tools to extinguish the flames.

The car was severely damaged by the flames.

♦ OTTERY St Mary Heritage Society put on an exhibition at The Institute over the bank holiday weekend entitled 'Ottery - A Parish at War'. There was a large display of photographs and memorabilia in the hall, and a display of wartime uniforms. Pictured at the exhibition are Steve Parsons, Peter Harris, Jim Woolley, Chris Saunders and Gary Tame

New-look surgery set to open doors

THE official opening of the newly refurbished and extended Honiton Surgery will take place at 2.30pm on Thursday, September 17th.

The project has taken more than 20 months to complete at a cost of over £1.2million.

The new extension houses a patient waiting area, clinical rooms and an enlarged pharmacy on the ground floor, and rooms for administration, nursing teams, teaching and research on the second floor.

Professor John Tooke, Dean of the Peninsula College of Medicine and Dentistry, will cut the ribbon during the opening ceremony.

A spokesman for the surgery said: "The refurbishment of the original building has provided seven new consulting suites, purpose built teaching rooms and storage facilities. The car park has been replaced on land adjacent to the surgery and the new entrance for all patients is through the Honiton Hospital entrance on Marlipits

Lane.

"The Honiton Hospital League of Friends has kindly helped provide a plasma screen display for the patient waiting area as well as medical equipment. We have also received kind donations of outdoor seating for patients use.

"In addition the practice will be recommencing the training of doctors to become GPs and expanding medical student teaching and general practice research."

MEDALS worth an estimated £2,000 were stolen along with other items during a house burglary in Uplyme.

The burglary happened at some point between August 13th and 22nd in Lime Kiln Lane.

An Africa Star campaign medal, a Distinguished Flying Cross medal, a European campaign medal, pearl necklaces and ear rings, a wedding ring and other jewellery were taken.

Anyone with information that could help investigators is asked to call 08452 777 444 and ask for Axminster police.

The crime reference number is KA/09/454.

Email scam

AXMINSTER police say that email account holders in the area have received correspondence from someone claiming to represent HM Revenue and Customs.

The email says that the recipient is eligible for a tax refund. A request for bank details is made in the email.

A police spokesperson said: "This is of course a scam. Please do not be taken in by this."

Kitchen fire

FIREFIGHTERS helped to ventilate a property in Seaton after a kitchen fire on Sunday, September 6th.

They were called at 10.30am to a property at Scalwell Lane, and appliances from Seaton and Colyton attended.

A spokesperson for the fire and rescue service said: "Two breathing apparatus and positive pressure ventilation were used."

STORE PLANS IN JEOPARDY

BY BEN MIDDLETON
ben@findlenews.co.uk

THE Sainsbury's development in Seaton has been put in doubt after planning officers from East Devon District Council recommended to refuse the plans.

A final decision is due to be made at a meeting next Tuesday, September 15th, in Seaton Town Hall.

The Underfleet proposal was

submitted in March this year and includes plans for a 28,000 sqft store, 430 space car park, a new public square and a new Seaton and Jurassic Coast Visitor Centre.

Jamie Baker, Sainsbury's development executive, said: "We are very disappointed and surprised with the officer's recommendation. We believe our proposal offers the best opportunity to attract more people to Seaton and support the town's aspirations for wider regeneration."

"Every element of our scheme — not just the supermarket — is well developed and can be delivered in one phase, with no need for landfill and limited construction traffic. The combination of the only Sainsbury's for 21 miles, enhanced pedestrian links, signage and information boards will also encourage more people to visit town centre shops — boosting local trade."

Mr Baker added: "There are strong planning reasons to grant permission

for the application such as kick-starting the development of the overall Seaton Regeneration Area, creating more than 200 new jobs and — importantly — delivering a foodstore that will complement town centre trade, not threaten it.

"In addition to these individual merits, I hope the clearly expressed comments of the people of Seaton are taken into consideration when the committee meets on September 15th."

Police warning to drivers of 'noisy' exhaust clampdown

POLICE in Honiton are warning young motorists that they will clamp down on illegal exhausts.

According to the police several reports have been received from members of the public complaining about late night noise caused by the exhausts.

PC Ian Atyeo, neighbourhood beat manager for the Honiton town area, said: "A concern to the public in

Honiton and the police are exhausts systems fitted to cars.

"There appears to be more and more drivers who have altered their vehicle exhaust system with the view to enabling it to make a greater noise."

"I want to give drivers who have altered their exhausts to anything other than what was fitted by the car manufacturer, the chance to return it to the original condition before we

take action."

Regulation 54 of the Road Vehicles (construction and use) Regulations 1986 says that every exhaust system and silencer shall be maintained in good and efficient working order and shall not, after the date of manufacture, be altered to increase the noise made by the escape of exhaust gases.

PC Atyeo added: "This offence

carries a fixed fine and can also be dealt with by way of the Vehicle Defect Rectification Scheme.

"This gives the driver 14 days in which to rectify the defect and then present it to an MOT registered garage to ensure it has been done correctly."

"This could easily cost a considerable amount to sort the exhaust out."

Car window is smashed

THE side window of a car parked in North Street, Axminster, was found broken at 10am on Saturday, September 5th.

The damage had been caused at some point between midnight and the time of the discovery.

Nothing had been stolen from the car but police would like to hear from anyone who might have made observations that could help investigators.

Anyone with information is asked to call 08452 777 444 and ask for Axminster police. The crime reference number is KA/09/466.

Fayre return

COLYFORD Goose Fayre returns this year and will take place on Saturday, September 26th.

Colyford will be returned to the Middle Ages during the event and some villagers have said they will dress in period costumes.

The procession starts at 2pm from The Elms and travels to the Fayre ground at Springfield on Seaton Road. The fayre opens at 2.30pm.

Entry is £3 for adults and children under 14 will be admitted free of charge.

Force surgery

THE Seaton Neighbourhood Beat Team will be holding a surgery on Tuesday, September 15th, in the Community Resource Centre, Fore Street, Seaton.

Farmer vows to challenge EDDC order

BY BEN MIDDLETON
ben@findlenews.co.uk

AN east Devon farmer says he will challenge a decision by the district council not to allow him retrospective planning permission to restore a dilapidated cottage in Chardstock.

As reported in this newspaper last week Robert Burrough, of Membury, acquired the 200-year-old Bewley Cottage when he bought the farmland in 1992.

Mr Burrough said he wanted to carry out the repairs because he was concerned that parts of the building could crumble and injure somebody on the nearby public bridleway and footpath. He was under the impression that planning permission was not required.

However, East Devon District Council (EDDC) then told Mr Burrough that he would have to apply for retrospective planning permission which was subsequently refused. An appeal was lodged and dismissed and for the last two years an enforcement

notice has been ongoing at the site.

Mr Burrough added that he does not intend to use the building at all.

Brian Friend, of Furlery, near Membury, says he regularly uses the public footpath next to the cottage and has called the district council's decision "madness". He claims that the cottage would pose a danger if it was reverted back to its former state and is prepared to take the case to European Court of Appeal to try and get the ruling overturned.

Mr Friend has already argued his case at the Court of Appeal but the judge ruled against him.

David Cloud, the builder in charge of restoring the cottage, has also stated that if left in its ruined condition the building would have posed a serious danger to members of the public.

Mr Cloud said: "Bewley Cottage was a limed-based stone structure common to the region which had been left open to the elements leaving all joints washed out and weakening the structure.

"The roof had fallen in

contributing to more instability and it and the weekend joints caused stress in the walls, particularly the eastern gable end with the unstable chimney breast with both wall and chimney liable to fall onto the public bridleway and footpath.

"The whole structure, particularly the gable ends, was very unstable and required repairs and restoration to make safe. This was done by reinforcing the inner wall surfaces with cement blocks and tying the original wall to them and reinstating the roof and floor joists to stabilise the structure further.

"No other works were carried out apart from replacement windows and doors thus making the structure watertight and safe from unauthorised entry. In the state it was in before repairs and restoration, Bewley Cottage was a serious and obvious danger to anyone passing by on the bridleway and footpath, both being public highways."

A spokesman for EDDC was unavailable for comment as this newspaper went to press.

Dance show raises £400

MEMBERS of Karizma Majorettes have thanked everyone who turned out to support their annual summer show, which was staged in Axminster's Guildhall.

Almost all the acts in the programme were arranged by the girls themselves and included singing, dancing and comedy pieces.

Committee members also took to the stage to perform a hilarious rendition of the Hula Hana from Dirty Dancing, which went down very well with the audience.

Sarah Causley of Karizma Majorettes said: "A big thank you to the 120 friends and families of members who turned out to support us and helped raise around £400 in the process for our troupe."

"This money goes towards equipment and uniform for our 50-strong troupe."

New album showcased

PAUL Field and Dan Wheeler will be showcasing their new album, entitled Rites of Passage, at the new primary school in Chardstock on Saturday, September 12th.

The show begins at 7.30pm and tickets cost £8.

Children create art group's walking carnival entry

CHILDREN from the Axminster area have been busy creating Axminster Arts' walking carnival entry.

Under the leadership of local artist Darrell Wakelam and Axminster Arts members, a huge dinosaur and associated equipment have been

created.

The three-day workshop was staged in the Church Rooms, Axminster, and proved so popular that some were unfortunately turned away.

Jenny Fells, of Axminster Arts, said that

feedback from parents indicates there is a need for more arts provision for the young.

She said: "Parents said there is plenty of sport for youngsters, but not enough arts."

Children are pictured showing off their half-finished dinosaur masks.

Andy's ready to coast charity trek

BY BEN MIDDLETON
ben@findlenews.co.uk

A HONITON man is set to walk along a stretch of the east Devon coastline in aid of charity.

On Saturday, September 12th, Andy Dawe will be walking the seven miles from Budleigh Salterton to Sidmouth for WaterAid.

Mr Dawe said: "I have usually

taken part, most years, in some sort of fundraising event. Having worked for South West Water I had occasionally been involved in raising money for WaterAid.

"Following retirement I spend some of my time walking the paths of Devon with my wife and dogs. The walk for WaterAid offers the chance to walk a great part of Devon and at the same time raise money for those

not as fortunate as ourselves.

"Having worked for a water company you realise how important clean water is."

East Devon MP, Hugo Swire, has also signed up to the event. He will be walking along the same stretch as Mr Dawe.

Mr Swire said: "I am proud to be playing my own small part in contributing to this extremely

worthwhile cause by walking between Budleigh Salterton and Sidmouth.

"At a time when we are facing difficult economic circumstances it is imperative that we do not forget those less fortunate than ourselves and this will be a rewarding, healthy and enjoyable way to promote this worthwhile cause." For more details visit www.coastalongforwateraid.org.

WHITE HOUSE EXPERIENCE

BY ANDERS LARSSON
anderson@findlenews.co.uk

A MAN has spoken about his visit to a place that is off-limits to the vast majority of people.

Most visitors to Washington DC will have to settle for having their photo taken outside the White House fence, but knowing people in high places opened the doors for Axminster Catenians member Tony Norman and his wife Vicky.

Tony and Vicky, who live in Lyme Regis, were in the US for the wedding of Tony's nephew, Jeremy Craig, in Clifton, Virginia. The groom's uncle is a man named Greg Craig, currently President Obama's White House counsel.

But he is also known for being part of the legal team that defended John Hinckley - the man who tried to assassinate Ronald Reagan in 1981.

In addition, Greg was in the spotlight when helping to engineer the Senate acquittal of Bill Clinton after the latter had been impeached by the House of Representatives in 1998 for issues relating to indiscretions with White House intern Monica Lewinsky.

Following the wedding, Greg Craig organised a private visit to

◆ **TONY and Vicky by the podium in the White House press briefing room**

the White House for a dozen or so-strong group of family members.

Tony and Vicky were part of the group and really enjoyed the visit.

They toured the official areas of the White House, including the Roosevelt Room and the Oval Office.

It is not the first time they have been on a tour of a famous American institution courtesy of Greg.

They first met in the 1970s when Greg was a law student at Yale University.

Back then, Greg organised a tour of the famous university for the British couple.

About the White House visit Tony said: "We had a lot to talk about. We had a long natter with him [Greg] and he also gave us ideas of what president Obama thinks of British politicians."

Tony would not elaborate on that particular issue but recalled a moment when one member of the visiting group pointed to a door.

Another member of the group, obviously with inside knowledge, said: "It is called Monica's closet," referring to the Bill Clinton and Monica Lewinsky scandal.

On a more serious note, Tony said it was a very enjoyable visit and reflected: "There were some really wonderful paintings of native American scenes."

Tony is a member of Axminster Catenians, Catholic men who meet regularly for social activities.

It was actually the press officer of Axminster Catenians, Bill Stead, who spread the word about Tony and Vicky's American adventure.

Referring to the tours of Yale University and the White House, Mr Stead said: "What will the next visit hold?"

Getting into east Devon's carnival spirit

IT'S that time of year again — already — to enjoy the east Devon carnival circuit.

Don't ask me where the past 12 months have gone, I feel like I've blinked and missed most of it.

My Lovely Farmer says that when Seaton kicks off the carnival season, it means it is the beginning of winter. He can't help it, he has to keep up the reputation farmers (lovely or not) have of holding a degree in grumpiness. It takes years of practice to perfect, I think.

Mind you, I do not think this is confined to only farmers. I hear that builders also suffer from this, as well as a number of other professions. All men, of course!

He may well think it is the beginning of winter rearing its ugly head but, to be perfectly honest, I don't know how anyone can tell the difference following the terrible weather this season has brought us. Barbecue summer, my eye!

I do wonder if the Met Office is just a mythical service and that, really and truly, the 'staff' just sit around all day eating sweets and making up weather forecasts to please us — or trick us — poor unsuspecting souls.

In fact, I think that some people may think it is similar at some newspaper offices!

Weather aside, My Lovely Farmer and I, along with a few friends, got into the carnival spirit on Saturday night in Seaton and thoroughly enjoyed ourselves.

The carnivals in this area are second-to-none. My family and I used to watch them when we were holidaymakers (also known as 'groccles') and now as 'locals' (not sure 15 years is long enough to call yourself a local actually) and I know that people come from miles, come rain or shine, to witness the spectacular events.

Despite the fact that none of us go out as much anymore — this is due mostly to getting older and thus suffering from hangovers which seem to hit you at about the age of 25 and get progressively worse with each birthday thereafter — we did a fairly good job of recreating our youth.

I think it is fair to say that the majority of us frequented Seaton on a Saturday night for several years, several years ago, ending up in The Grove Niteclub. And last Saturday was no exception.

I've got to say, Seaton was buzzing with a great atmosphere, full of carnival goers of all ages, and I didn't witness one fight all evening long. That's not to say none occurred but it was nice to not find yourself suddenly far too close to a couple of brawling hooligans, knocking people over like skittles as they go.

Admittedly, we left fairly early — one o'clock — before we all turned into pumpkins and got knocked over like skittles by brawling hooligans so I may be looking through rose-coloured, vodka-tinged spectacles, but a good night was had by all and a great starting block for the following few carnival weeks. I'd rather watch an east Devon carnival than the Notting Hill event any day. Colyton carnival is this Saturday... and I can walk (or wobble) home. It doesn't get much better than that!

We are lucky to have free speech

EDITOR — Richard David (*Pulman's View*, September 1st) says that as a confirmed C of E Christian he is 'repulsed' that the Christadelphians should promote interest in the bible.

I am sure that even though there are differences of understanding between the various denominations, there would be few Christians who would think it a bad thing to encourage people to read and understand the bible.

Had men and women in former centuries not done this, the C of E would not exist today.

The Bible Exhibition in the Seaton Town Hall in August showed how faithful men gave their lives to make the bible available in English.

The well-loved 'Authorised Version' of 1611 was commissioned by King James.

Our current Sovereign at her coronation took an oath in the presence of the Archbishop of Canterbury to 'maintain the Laws of God and the true profession of the Gospel'.

She was then presented with a Bible and reminded: 'Here is Wisdom; this is the royal Law; these are the lively Oracles of God.'

Is it such a bad thing for Christadelphians to invite people to look again at the evidence behind such a statement?

As to Mr David's objection to any debate about Darwin and the Bible account of Creation, it was a pity he did not hear Professor Hughes show a packed audience, among other things, the marvels of DNA and some of the reasons why many well-qualified scientists throughout the world recognise the case for intelligent design in the universe.

We live in a country where freedom of speech enables people to present and promote their views in public. Mr David asks, 'What's the point of a debate?' Let us be thankful we can have a debate and the opportunity to consider a range of evidence before making up our minds.

A good samaritan

EDITOR — I would like to thank the good samaritan who changed my tyre for me this morning, Friday, 28 August.

I was returning from walking my dog with a friend and had a completely flat front tyre as I turned from the A 3052 onto Harepath Road and a wonderful gentleman walking his dog, Susie, insisted on changing it for me in the pouring rain.

I should have taken his telephone

number so that we could call and thank him properly, but didn't do so in the stress of the moment!

So a HUGE thank you to him for his total kindness and another thank you to a lady who also stopped to offer us an umbrella in the awful weather!

To meet such kindness totally made our day!

COUNCIL NEEDS TO IDENTIFY, PURSUE, DELIVER PRIORITIES

EDITOR — Having so far managed to keep out of the affray over the purchase of Willoughby House in Fore Street I am now forced by the sheer arrogance of the mayor to provide a swinging response to the front page of *Pulman's View* from Seaton last week.

It would indeed be true that if it were only the response of a few people that forced the council to change their mind over the purchase it would be sad but, in truth it was the total unpopularity of the majority view that was actually behind their reversal. To blame the outcome on a minority ignores the petition of 900 people and the general disgust of the rest of us.

The only assets this council needs to properly represent us are its own abilities to properly identify the priorities for the town, pursue them

with all its might, and deliver them without personal regard to directly benefit every man, woman and child within this parish. Nothing more, nothing less.

If you want to make an investment of £500,000 over the next 25 years why are you not supporting and demanding the public works loans for any of the worthy projects that are desperately needed within the town. Some of which can be viewed on the Seaton Business Forum website but, many others equally worthy are in need of the council's limited financial muscle and unlimited moral support.

If you want to make an investment of £500,000 over the next 25 years why are you not placing that money into a resource which could be match funded by businesses and other worthy participating partners to deliver something substantial for the

people of this town rather than something that only you are likely to benefit from.

For the last 20 years there has never been any funding available from the EDDC for anything in this town whatever the merit of the proposal yet magically, when the council want new offices, substantial funding is immediately there — why? How come? Do you see the hypocrisy of your position? We certainly do!

A huge drain on resources not an asset

EDITOR — I have to reply to the report on last week's front page of *Pulman's View* from Seaton about the withdrawal of the application for Change of Use of Willoughby House.

How dare Sandra Semple and David Mears say as a direct result of hurtful comments the town council has had to withdraw?

If she and the town council had gone about this in the correct manner in the first place they wouldn't be hurt.

The council is entirely at fault for the whole dismal business. As for suggesting that this house will be an asset for Seaton anyone but an idiot can see that it is in the wrong place.

There is no parking, no safe place to cross the roads to get to it, it needs a small fortune spent on it and the maintenance will be horrendous.

There is not a single room large enough for a public meeting. Who is going to use office space upstairs if they can't even park their staff cars? Willoughby House will be a lovely family home when a small fortune has been spent upon it.

It is not in anyway suitable for a town hall which was obvious from the first. Not an asset for Seaton but a huge drain on our resources for 25 years and probably a lot longer.

A different view of public meeting

EDITOR — My recollection of the public meeting at Seaton Town Hall on 25th August is very different from that of Sandra Semple.

Interviewed by *Pulman's View* for the September 1st issue, she claims that "hurtful comments made by some people", about the purchase of Willoughby House, has led to a decision by the vendor not to sell the house to the council.

A very strange decision in these hard economic times, for a vendor to let 'hurtful comments' stop a sale!

Family members of the vendor must have been very disappointed to see the house (one of the ten most dilapidated in East Devon we were given to understand,) coming so close to being sold and I can understand that.

Just how 'hurt' does one have to be, to give up on what the council had seen as not only important, but a 'necessary' move for them to make. Mind you, Sandra Semple was not at the meeting on the 25th, so I am puzzled as to how she was able to make that claim.

Using hearsay evidence to support a critical public comment is surely not very wise.

Aside from that, allowing 'hurtful' public comments to influence a political or financial decision seems to me to indicate a personal and political weakness.

Thank goodness our national political leaders don't suffer from hurtful comments! However, I think we all know that it was not the hurtful comments that forced hands, but the democratic expression of anger against a foolish decision by the council.

A straw poll taken at that meeting, which was conducted firmly, democratically and in a calm way, revealed that the number against the council's hasty decision to purchase Willoughby House was very far in excess of the number supporting it.

The 880 signatures, the near 400 letters of protest, along with names collected by the Seaton Chamber of Commerce, cannot be brushed aside as a 'small, but very vocal opposition group' and it is an insult to Councillor Burrows to suggest that he

is somehow the guiding force behind that opposition.

He was acting as a democratic voice in a council that is in danger of losing sight of its essential democratic purpose and function.

The real force behind the opposition is public opinion in the town, which was swift to react to the daft decision once it was pulled from behind the covers of the town council's private meeting.

The council would be wise to heed the message in that opposition.

Personally, I should like to see the previous Friday's public meeting about Willoughby House, led by the council, given a similar airing.

From what was said on the 25th by our very experienced and much respected district and county councillor, Margaret Rogers, (who has more knowledge of town affairs than any on the council today) it would seem that the Friday meeting was a damn sight more hurtful than the one on Tuesday.

What has Mr Mears and the council have to say about that one? I await the minutes.

I should like to place on record my belief that threatening to throw flour at the mayor is a far from reasonable and democratic expression of criticism.

It is foolishness beyond that displayed by her council.

Whoever has threatened to commit such an assault deserves to be dipped in the ducking pool, or put in the stocks. She should have stood firm against such nonsense and carried on with her mayoral ride with the carnival floats. That is how to answer foolish threats.

That said, I do feel that Sandra Semple is not serving our town well and should consider resigning, along with many councillors.

We need a fresh vision for the town and a more articulate and democratic body that can take our town forward at this crucial point in time, as the idea of regeneration is moving out from the realm of fantasy and into reality.

Stop fighting amongst selves and help town

EDITOR — It's easy to tear up the oak when it has just sprung up from the soil.

It is easy to kill an idea when it still is in the human mind.

Seaton with its nihilistic reputation will never climb up from the swamp of its problems, when there are people killing every single initiative, mixing their insulted political ambitions with the town's benefit.

How many more calamities should happen to unite Seatonians?

Have we not got enough?

Ugly buildings all over the place, piles of rubble by the river, shop windows nailed with plywood, nasty sea wall on the Esplanade, derelict holiday camp, Tesco's threat with endless traffic of lorries and a petrol station 100 meters from the beach?

Is this a way we love Seaton — to allow others to wipe its face with bulldozers, erect boring boxes, colour them in magnolia and call them development or regeneration?

A couple years ago when the newly elected town councillors

invited Seaton business people to have their say about what must be done to recreate the town, make it more vibrant and attractive to live and to visit. Nobody said a word.

I was at that meeting and thought what's wrong with the people of Seaton? Now I know.

They didn't want to be stoned to death — the Seatonian's way to meet new ideas.

I'm not British made. I'm tougher. That's why I dare to expose the dream which we accumulated with the council to give more business and educational opportunities for active people of all ages — young or old and this dream was killed off during a nice evening on 25th of August at the town hall meeting condemning The Willoughby development propositions before there was a chance to show it to everybody in more detail. As usual.

Stop fighting to each other and do something. For Seaton.

Ruta Kreivyte (Architect)

If only public was involved

EDITOR — So the sale of Willoughby House to the town council has been halted and now a disgruntled council will no doubt be looking for someone to blame for it's loss.

Could it be the town residents who, quite rightly, asked for information and clarification on the details of the sale and the implications to the ratepayers of the town? Could it be Councillor Burrows who listened to, and agreed with, the views held by some town residents and gave us his support? Could it be a back lash resulting from the views expressed at our last public meeting?

I don't think any of that is to blame for the loss of Willoughby House. The residents, and ratepayers are all stakeholders in the future of Seaton whether our town council agrees with that or not. We all invest our time and hard-earned money into Seaton and we all have a right to have a say in its future. We won't always agree with everything our town council wants and we may debate and argue, but that's democracy for you.

The town council has handled this whole episode dreadfully and, by far, the main contributor to the growth of opposition to this proposal was the town mayor who dismissed all debate and discussion with the town residents with the comments to the press:

"There will be no discussion, no public consultation, the town council's decision is final!"

Even if you don't want the opinions of the residents you were elected to serve, you should really have the common decency to pretend you want to hear their views? That would have been a more productive way forward and would probably have halted any small opposition there was in its tracks.

If buying Willoughby House was the great way forward for Seaton why was the council so dismissive of presenting the business plan and the benefits to Seaton to a public meeting?

Not one representative of our elected town council came to argue the case for the purchase of Willoughby, and the move from the town hall. So what conclusion should the residents, who came to listen to their side, draw from that? If the council's argument was good, the reasoning clear and all the figures added up they may of found plenty of support in the audience and the outcome of the meeting may have been considerably different.

Councillor Peter Burrows will no doubt be chastised for supporting the opposition to the sale, but Peter was only doing what he was elected to do, to represent the views of a section of the community, however small that may be. He should be praised for publicly standing up and speaking out against what he believed was wrong, surely a great attribute for a town councillor and one I hope many of our other town councillors will try to emulate some day.

The full blame for the loss of Willoughby House must of course stand with the town council, it is them who have handled almost every stage of its proposed purchase badly. From the first council meeting it was discussed, the dismissive comments to the press, the badly chaired planning meeting where rudeness was the order of the day, right through to the non-attendance of the public meeting. If the council had involved the public from the start and encouraged healthy debate on this matter they would probably now have the result they were all hoping for.

Axminster Carnival Week 2009

Monday 14th – Saturday 19th September 2009

There is something very special about Carnival night in the carpet town. Axminster's relatively wide streets make it an ideal town for the big floats on the East Devon circuit, and one thing Axminster Carnival can always count on is a huge crowd. There is no doubt that this year will be no exception.

The week gets off to a brilliant start with the traditional Carnival Bingo on Monday 14th at 8pm in the Guildhall. There will be a Barn Dance of Friday 18th with The Dartmoor Pixie Band starting at 8pm in the Guildhall, with tickets available from the TIC. Not forgetting the Misplaced Object Competition which will be running all week, and of course Herberts Fun Fare in Combe Lane car park.

The grand procession will be on Saturday 19th September starting at 8pm, and this year the carnival committee are making a few changes. Due to the high cost of fuel they have decided to judge the procession 'En Route'. This will save the larger floats money as they won't have to run their generator for two hours whilst waiting for the judging to be completed. This will mean that there will be no presentation of trophies and prize money in the square as the results won't be in until the end of the procession. Instead there all prizes will be presented after the procession in the Guildhall at approximately 10pm.

The walking entries and Majorette groups will do the same circuit as the rest of the carnival. The procession will line up in the usual place in Kilmington Road, but this year the circuit will be reversed. It will proceed up West Street, instead of turning right onto Kind Edward Road. It will go through Trinity Square, turn right into South Street, continuing up Musbury Road, then right down King Edward road and back to the start. This is where the procession will end, there will only be one circuit of the town.

It will be a busy weekend for Axminster, with much fun to be had by all. Make sure you don't miss out on what is sure to be a fantastic carnival!

ANOTHER season comes to an end with a just a couple of friendlies to be played. On the results side the club may not have had the best of seasons with the 1st XI and 3rd XI in the lower end of their divisions while the 2nd XI have to accept relegation to Division B. The 4th XI were under threat for a while as if the 3rd XI were to be relegated there would no longer have been a slot for them, however it looks as though the club will be able to continue with all four teams next year. If the results from the 1st XI in the latter half of the season can be carried forward next year and good use made of the talented players coming through, the club can be optimistic for an improvement in the league position. The Ladies team continues but will be looking for more new members to play next season. The visit for some coaching sessions in the new year from a representative of the successful the England/Women's team should create some interest.

The club has for many years committed itself to providing cricket for as wide a spectrum as possible. The junior section has again increased in number and the encouragement by the club in funding the development of coaches from that source has proved successful. Providing the finance can be found the club has four more members who wish to obtain their coaching qualifications during the winter in readiness for next season. The club's head coach Dan Hummels finds himself with a busy schedule as he now takes charge of the junior section and planning the winter practice / training sessions and as well as putting in some time coaching at the centre of excellence at Taunton. Dan, with the support of club member and fellow coach Neil Jones, was also instrumental in organising the club involvement in the 'Chance to Shine' initiative which is designed to give opportunities in schools and clubs for children to play and learn through cricket. Regional Manager Stuart Prescott has expressed real satisfaction about the way the club has used the initiative and emphasizes that without the dedication, enthusiasm and skill of club coaches like Dan and Neil it would not be possible. The initiative continues for another two years and next year will include more local schools and again more coaching volunteers. During the holiday period the Annual 'Summer Camp' held at Cloakham, the 'Spin Day' run by West of England Spin Bowling Coach Paul Lawrence, and the three days of coaching by the 'Peak Performance Team' led by Ben Wellington and ex Somerset & England bowler Richard Johnson all proved popular. Richard will be one of the guests at the Axminster Town Cricket Club Colts Presentation Evening on Friday September 11th and both he and his fellow coaches have expressed a wish to return, both during the winter sessions and next season to assist the club in its endeavours. The practice / coaching session run by the club commences on Sunday October 11th and anyone interested can obtain more information by contacting Dan 01297 34376 or Phil 01297 33621 (email itz4phil@btinternet.com).

The Annual Club Dinner will be held on Saturday 10th October and the Annual General Meeting on Thursday 5th November. The club will always welcome new members of whatever age and experience, to participate as players, umpires, scorers or just as supporters.

There are many things we love about being part of the Axminster community – and the CARNIVAL certainly ranks highly. We are proud to count ourselves among the many supporters of this fine tradition.

There's always a great buzz in the town on the day when all the hard work and creativity of the carnival organisers and performers comes together to create an uplifting spectacle to transport us into autumn. Who needs the big town productions when we have the smiling faces and eye-catching displays right here?

As your local independent bookshop, we take pride in our place in our community and strive to offer the best possible service to our customers, including overnight ordering and our free daily delivery service. You'll find here too the smiling faces and great atmosphere that are just some of the qualities Archway Bookshop shares with the spirit of carnival.

And it's not just books we supply and deliver. We stock Naxos classical CDs and can order anything from their range, as well as offering you the opportunity to order your favourite DVDs.

Our friendly, knowledgeable team is always on hand with the latest information about new and forthcoming titles, and if you tell us what you've already read and enjoyed, we can offer recommendations of other good reads we think you might like.

We think all of this adds up to a much better service than the big town stores, but don't just take our word for it – come in, try us out and see for yourself.

Whether it be carnival or shopping – let's KEEP IT LOCAL!

Youth sport grant search

THE Lady Taverners, part of The Lord's Taverners, has launched a search for grant applicants and volunteers in east Devon.

Members of the organisation believe that sport and recreation are vital in helping young people fulfil their potential.

It has a grant scheme for east Devon and Exeter, so clubs and organisations involved primarily with cricket are encouraged to apply — but other sports might be considered.

Locally, a search is also on for female volunteers. Wendy Hayden of Lady Taverners (Schools and Foundation), said: "We need to get more ladies interested in our work and come along to charity events and perhaps then start to help us raise funds, work with us on specific projects and eventually become members if they're that keen."

"The Lady Taverners is a great way to make new friends and enjoy yourself while doing the wonderful work of helping youngsters."

"We're looking for ladies of any age. They can come to events on their own — you're always made welcome, as I was when I moved down from the Midlands some four years ago."

The organisation mainly supports cricket, but also covers sport and recreation for young people with special needs who are under 25 years.

Anyone interesting in helping out or applying for a grant can call Wendy on 01297 22282 or email her at wendy@langcomb.u-net.com for easy and clear advice.

Full details about the charity and its grant aid guidelines are available online at www.lordstaverners.org

Get your camera out for the nines

BY ANDERS LARSSON
anders@tindlenews.co.uk

TWO Axminster organisations are asking people in the town to get their cameras out tomorrow and make history.

The mission is to "make history with your camera" by taking digital

photos of various scenes, people and activities in the town on the ninth day of the ninth month of the ninth year, which will be Wednesday, September 9th, 2009.

Snapshot of Axminster is organised by the town's Rotary club, as part of its 50th anniversary celebrations, in conjunction with Axminster Photography Group (APG).

Selected photos will be put on a DVD and presented to the town mayor, and copies will be sold for charity.

On the DVD will also be pictures taken by APG members and by members of Axminster Power Tools Photographic Club.

In addition, the DVD will also feature parts of two historical

collections - one owned by Les Berry, a retired builder, of Chard Road, and the other by Jamie Love, a furniture restorer, of South Street.

A Rotary spokesperson said: "It is hoped people will take pictures of the town as they see it, its buildings, its people at work and play, its businesses and its schools."

"They should download an entry

form from the website at www.axminsteronline.com and email their pictures by September 30th to rotary@axminsteronline.com.

"Only digital pictures can be accepted. They must be submitted as jpeg with a maximum size of 1.0mb."

"All other terms and conditions are as shown on the website."

CARNIVAL SPIRITS UP

BY ANDERS LARSSON
anders@indlenews.co.uk

SEATON Carnival organisers, as well as police, were extremely pleased with last Saturday's showpiece.

Procession manager June Millman said the number of floats would have been up on last year if three of them hadn't been forced to pull out.

A total of 46 floats had been registered, two more than last year's 44, but three of them suffered faults, some electrical, and had to pull out.

June said: "By the time we started

the procession the pavements were heaving."

She praised police for helping to make sure the event ran smoothly.

The money collected would be counted as Pulman's View went to press, and cheques for worthy causes will be presented at the AGM in November.

Police said the evening went without problems and no carnival-related crime was reported.

Regular officers were supported by the special constabulary - and members of Seaton police's cadet group also helped out with appropriate tasks.

Seaton police thanked everyone for helping to make it a trouble-free occasion.

◆ David Gear Horticultural

Top tips for September from Oliver at David Gear Horticultural in Seaton:

Give your hedge a final cut and don't forget to clear the weeds from the base whilst giving it a feed of slow release fertilizer – then get your hedge trimmer serviced ready for next spring.

Autumn is a good time to repair your lawn with reseeding or turfing.

When choosing your garden tools always buy one grade above what you think you may

need – you'll find it a worthy investment, the machine will last longer and tackle its work more easily – remember, you get what you pay for.

Be canny and get your servicing done over the Winter period to avoid any possible delays during early Spring.

Let's hope for an 'Indian Summer' so we can all enjoy our gardens.

◆ **VIC Bromwich, of Colyton, pictured at the recent Seaton and District Art Society exhibition**

Society surviving with an exhibition

THE annual exhibition of Seaton and District Art Society seems to have survived with a small profit despite a fall in sales this year.

Not all the bills have been paid but fears that, thanks to current financial constraints, the show would go into the red seem unfounded.

The show attracted almost 1,000 visitors, many of whom gave generous praise in the comments book.

Financial support came from the raffle, tombola and refreshments.

The public choice as the favourite work went to an unusual Rembrandtesque painting by Colyton member Vic Bromwich. Called *A Reflective Moment*, it shows a back-lit interior of the Volunteer Inn in Lyme Regis.

Vic revealed a long-time interest in the drawings of Rembrandt and confessed it was why he had chosen a very limited palette for the picture. The work also received a commendation by the society's president, Alan Cotton.

Alan chose Taunton artist Glenda Lavender's *Luke* to win the President's Cup and Anne Swithinbank awarded the Maggie Lodge Rose Bowl for flower painting to Seaton's Fran Rees for *Rudbeckia and Daisies*.

Colyton's David Clarke won two awards — the Devon Framer's Cup for landscape for his *Boat Hire at Dedham*, judged by Howard Jones, and the Barbara Hollingsworth Award for Portraiture for his study of Paul, judged by Anthea de la Roche, who also opened the show.

Walking on air with the rich and famous

THEY are our neighbours — we meet them in the street and at the supermarket; yet we do not know them or the interesting lives they have led.

That was emphasised when Axminster Probus Club member David Smith stood up to talk about his time as a cabin attendant at British Airways.

He had started his working life in the hotel business in Cheshire and Vienna and was able to enjoy his boyhood dream of flying during his tour abroad. Later he applied for a job as cabin crew and was summoned to interview. After a nine-and-a-half

hours' drive he was granted a two-minute interview. "We'll let you know" rang in his ears for the long drive back.

Two months later he was offered the job which took him to far off places — and all for the princely sum of £8.37 per week.

Some 30 years later he took early retirement only to be offered the new post of running a VIP Lounge as director.

In the 10 years that followed he was to meet many celebrities from Marlene Dietrich to Henry Cooper; from Harold Wilson to Margaret Thatcher. Although an oath of secrecy

barred him from quoting from conversations he was able to give some anecdotes.

For instance, Princess Margaret was the only person allowed to smoke during take-off.

George Brown started his day with a large brandy and never looked back. While legless, he kissed Kosygin on both cheeks before falling over. President George Bush Sr talked freely with him but Edward Heath stared through him while Jill Dando sent him a letter of thanks after he had held up her flight to return a forgotten item. David's list of celebrities was impressive and his autograph book is

now valuable.

In addition to his tales of celebrities he gave an account of the growth of BA — which he claims is the best airline in the world — and told of various emergencies; of lightning strikes["the passengers go very quiet"], crash landings, coups d'état and of Yasser Arafat escorted by bodyguards totting AK 47s at either end of the cabin!

Life was never dull. He lived in the best hotels, enjoyed long days on exotic beaches and, above all, met a vast number of interesting people. In the eye of his fellow members he is among them.

Lady lions give £2k to charities this year

HONITON Lions' Ladies has had another successful year, raising over £2,000 for its chosen charities.

The fashion show in April provided funds for Breast Cancer Care and Hospiscare, while the various bric-a-brac and plant stalls in the springtime raised enough to donate to the cancer charity FORCE and to the Exeter branch of Arthritis Care.

The ladies also contributed to Action for Medical Research, the charity chosen by Lion Steve

Guilbert who participated in a London to Paris cycle ride.

Others who benefitted were Dunkswell Pre-school, Honiton Twirlstars, Honiton Guides and the East Devon Riding for Disabled group. The ladies also helped with carnival collections and with the burger stall at the Tar Barrels in Ottery St. Mary.

The ladies would like to thank members of the public in and around Honiton who support the events and enable them to be so generous in their donations.

Summer kitchen makeovers with no hassle

Planning a total kitchen makeover, complete with new units, fittings and appliances, might have been ruled out by the credit crunch. But replacing the worktops will completely transform your kitchen and add value to the property, at a more affordable price.

You could introduce a whole new colour theme, possibly with a neutral tone on the units around the walls, a different finish on an island countertop, and a complementary or contrasting look for a statement splashback. With 60 different colours options the choice is yours: the décor permutations are endless.

Whether the look you design is bold and colourful, cool and contrasting, classic or cottage style, the worktop material you choose has to be up to the job. It needs to be stain, scratch and heat resistant, easy to clean, extremely durable and reasonably priced.

Thankfully, there are many traditional and high-tech materials to choose from, like granite, engineered stone, laminate, tile, glass, hardwood, even concrete — and each has its pro's and con's.

But, there's an advanced worktop surface that is perhaps less familiar, which is manufactured exclusively by Granite

Transformations and is available locally from its showroom based in the Newton Centre, Marsh Barton, Exeter.

Marketed as the *Trend Collection*, this unique material is made from Italian granite, quartzite or tempered glass, bonded together with 5% specially-formulated polymers, making it non-porous and much harder than slab granite.

So you get the look, strength and quality of natural materials, without the other drawbacks. There's even a lifetime guarantee, because worktops are measured and fitted by the manufacturer.

There are two additional aspects that distinguish *Trend* surfaces from others on the market. First, by virtue of an exclusive production process, they are just 6.5mm thick and less heavy than granite or similar materials, so they fit on top of your existing kitchen worktops, to give a luxurious new look without messy, inconvenient and costly demolition. What's more, the material can be shaped with sweeping curves and soft bends, adding to the creative possibilities.

www.granitetransformations.co.uk/exeter

Secondly, *Trend* slabs are diamond polished in sections measuring a generous 1.24m x 3m, which means most worktops can be fabricated with fewer joints, adding to the luxurious look. Seamless bonded edges further enable virtually any worktop depth, from a subtle 20mm trim to a complete waterfall end.

Nor does the good news end there. Granite Transformations can produce a complete kitchen transformation in less than a day, since every worktop installation is manufactured made-to-measure in the factory, with trained fitters completing the job at your home, within hours.

So, for that stunning new-look kitchen you'll love, without all the hassle, think *Trend* — and start one too!

Fete opened by Jill, 100

HUNDREDS of people attended this year's Hawkchurch Fete despite the inclement weather.

A host of events took place not only on the fete day itself, Monday, August 31st, but throughout the weekend as well.

Activities included a family rounders match, barbecue, live music, teddy bears' picnic and dog show.

A songs of praise service also took place at the St John the Baptist Church in the village.

The fete was officially opened by one of Hawkchurch's most famous residents, 100-year-old Jill Bennett.

A spokesman for the event said: "We had about 520 adults through the gate, this is only slightly down on previous years and that was probably because of the weather."

"This year, as in previous years, everyone commented that the fete had a real family atmosphere."

"The stallholders and entertainers were pleased that everyone enjoyed the shows and joined in."

Town heritage group's hopes for visit centre

AXMINSTER Heritage hopes the proven hard work and commitment of local people will aid plans to create a visitor centre in the town.

As previously reported, fundraising efforts are in full swing and were boosted in March this year when a conditional £200,000 grant was given by Devon County Council.

Dr John Church, of Axminster Heritage, said in March a further £150,000 or more would have to be raised within the next 12 months to utilise the award and make the development a viable proposition.

The amount required to fully develop the centre is estimated at £1.5million.

Dr Church wouldn't say exactly how much has been raised so far, but a final push is underway to raise the money required to accomplish the first phase of the project.

An Axminster Heritage spokesperson explained: "It was through the hard work and commitment of local people that we have Cloakham Lawn Sports Centre, the Flamingo Pool and the annual Axe Vale Festival."

"The Axminster Heritage Project

◆ THOMAS Whitty House

has already secured £200,000 funding from Devon County Council towards the visitor centre.

"If you can help the fundraising or volunteer your time towards this fantastic project for Axminster, please contact us."

The next step would be to purchase Thomas Whitty House and convert the ground floor, something Axminster Heritage hopes to be able to do next year.

Dr Church added: "We are very grateful to Axminster Carpets for allowing us an option to purchase the

building."

The long-term plan is to provide a permanent display of carpet-making in Axminster, to relocate the tourist information centre and museum as well as providing space for a gift shop, a teaching area and other exhibitions.

Anyone interested in getting involved, either as a donor or volunteer, is welcome to call Dr Church on 01297 32417 or e-mail pikerachel@btinternet.com.

Library kids find Nemo

SEATON Library has been about so much more than book reading this summer.

A number of workshops for children were laid on, including one with the Plymouth Marine Aquarium called Finding Nemo.

A spokesperson for Devon County Council's library service said: "Children learnt about sea life and made some weird and wonderful creatures."

Customers of all ages got to enjoy a visit from a Midlands-based youth choir named Stream of Sound, which came over from Sidmouth Folk Festival to sing a few songs.

Coming up in September is author and BBC crime correspondent Simon Hall, who will be talking about crime reporting and writing crime fiction.

Tickets for the Tuesday, September 15th event at 3pm are available from the library on 01297 21832 as are details for forthcoming events.

Raffle prizes up for grabs

HAWKCHURCH Ladies Club is staging a coffee morning on Friday September 25th in aid of Macmillan Cancer Support.

The event starts at 10.30am and takes place in Hawkchurch Village Hall.

Amongst the many raffle prizes are those kindly donated by Millers Farm Shop, The Old Inn, Kilminster and Wyld Meadow Farm.

There will be a bring and buy produce stall, and a chance to enter the national Macmillan draw for £10,000 worth of John Lewis vouchers.

National honours for Cotley riders

A LOCAL pony club is celebrating after winning a national competition at the end of last month.

Cotley Hunt Pony Club, one of 15 branches in Devon's Area 15, achieved an exciting result when they took the Novice Team Eventing honours at the Pony Club Novice Championships, organised and run by The Cheshire Hunt North Branch of The Pony Club, on Sunday, August 29th and 30th.

More than 650 Pony Club Members from all over the UK, with the average age of 13, competed across the disciplines of novice dressage, show jumping and eventing at the NFU Mutual-sponsored event. The increase in competitor numbers at The Novice Championships over the past five years has meant that a venue with more space was sought, and Kelsall Hill Equestrian Centre, near Tarporley, fitted the bill.

The winning team consisted of Jessica Gundry, 12, Kate Sopwith, 13, Olivia and Sophie Bengier, 15 and 13 respectively.

Jessica did extremely well winning her section riding Jack The Lad. She finished on a score of 25.0.

Kate finished eighth on Spotty Harry and Sophie was 10th on McCoy in each of their sections.

Overall, there were 40 teams competing for the title.

The jumping phases were very influential as only 25 per cent of the competitors went double clear show jumping and cross country. Sophie did well to achieve a double clear.

Jessica's riding brought her a win, despite having a pole down in the show-jumping, adding just four penalties to her brilliant dressage score of 21.0.

All team members produced a creditable clear round cross country on a relatively technical course.

Second to Cotley were the Cattistock team, also from the south west, who were only 0.6 penalties behind.

Team members were extremely grateful to manager Sarah Clist, who worked tirelessly all weekend to make the event so successful.

TONY JACKSON

The secret of how to make great sloe gin

WHAT a contrast in the hedgerows this year to last summer and early autumn! Then, blackberries were few, small and red and sloes, those luscious blue fruits of the blackthorn were, in my neck of the woods, entirely absent.

This year, the intermittent rains and sunshine seem to have worked their magic for here the hedges are laden with ripening blackberries while sloes are hanging in great clusters, already sufficiently soft and swollen to be picked. Elderberries, too, are ripening in great deep red sprays and will soon be ready for harvesting.

For the wise countryman or woman, the fruits of the hedgerow, in their season, offer several outstanding liqueurs and wines, notably sloe gin and elderberry wine. In fact, I recently opened a bottle of elderberry, made five years ago, and which, in my opinion, was a darn sight more drinkable than some of the bland, almost sour red wines to be found on supermarket shelves today. Sweet, rich and with a distinctive flavour, it was really a liqueur and not a wine at all.

However, if you have any sloes near you, mark them down and then acquire a bottle or two of the cheapest gin or vodka and some granulated sugar. That's all you need, plus the sloes, of course, to produce a superb and truly delicious drink for the winter months a year ahead.

You can also, if you want to, add some blanched almonds to the mixture but they are not essential. Now, to every 12-14oz of sloes add one pint of gin or vodka and 6oz of sugar. To release the flavour, the traditional method is to prick four holes into each sloe with a fork or needle and this is indeed a labour of love.

A far swifter and just as effective practice is simply to pop the sloes in the freezer until you are ready to deal with them. When taken out you will discover that they have all split and can now be packed into a kilner preserving jar with a rubber seal.

Simply put in alternate layers of sugar and sloes, ending up with a layer of sugar and then add the almonds if you want to use them. Now pour in the gin or vodka and seal the jar tight.

Hide the jar away in a dark, cool cupboard but for the next three months give it a shake two or three times a week and then leave it alone for six months. At the end of six months strain the liquid several times until it is running clear, bottle it, cork securely and label. Now leave it for a further few months before sampling. A sloe liqueur made thus will last for at least three years, but is unlikely to get that far!

I have, I confess, never tried it, but I have been told that rather than discard the sloes when they have accomplished their task, they can be recycled in a light sherry, once again using a kilner jar. I doubt if sugar is required as the sherry will already be sweet.

Will this, I wonder, be a mushroom autumn? Already I have come across a handful of field mushrooms in a field where last year not a single one was to be seen. There are few wild foods more delicious and tasty than wild mushrooms and I can recall past days when one was able to gather a huge bagful of the dew-fresh fungi, each creamy white round head a tempting morsel as it nestled in the grass. Such a difference to cultivated mushrooms which have no flavour. Hopefully, too, I will find a fresh puffball or two, for these, when sliced and fried with bacon, are truly delicious.

This week's Handy Home Hint: To peel tomatoes, pears and peaches, put the fruit in a bowl, pour boiling water over them. Leave for a few minutes, drain and then cover with cold water.

Pulman's *View from the churches*

MANY people think that harvest festivals are an ancient tradition, and it is true that the bible encourages thanks for fine weather and good crops.

The truth is that harvest festivals had their origins in the Westcountry, through the invention by an eccentric Cornish priest living just across our northern border in the next county of Cornwall where the coast and land are rugged and not good farming land.

Nevertheless in the 19th Century, the Rector of Morwenstow, Stephen Hawker, was appointed in 1834 as the first incumbent for at least a century. He is kindly described as a little eccentric and tried to convert local smugglers and wreckers into his congregation, and he is credited with the composition of the first Harvest Thanksgivng Services. He also wrote the ballad And Shall Trelawny Die? Hawker had included in his rectory curious chimneys designed to represent his favourite church towers.

There will be many harvest services throughout the area.. In the Colyton Benefice, Branscombe and Colyford celebrate harvest on September 20th; St Andrew's, Colyton, on Sunday, September 27th at 11am with a harvest supper the night before (tickets now on sale at Haynes, Colyton) and sale of harvest goods on Monday morning; Southleigh and Musbury churches follow on Sunday, October 4th.

The churches in the Honiton team start at Awliscombe on September 20th; Combe Raleigh on the next Saturday; and Buckerrill the day after; ending with St Paul's, Honiton, and Gittisham on October

4th.

September is also the month in which Devon Historic Churches Trust has an annual fundraising event when funds come in from walking, cycling, running or other means.

Seaton Methodist Church and others in the circuit welcomed Revd Linda Chester as their new minister on September 5th with a reception at Seaton Methodist Church, see story, right.

St Gregory's Church, Seaton, is opening its Freedom Cafe on Saturday, September 19th when free refreshments will be offered in return for pledges of help for the church. Contact Mary on 01297 23656 for details. Future dates are October 17th, November 21st and December 19th — all from 10.30am to 1.30pm.

For those living in or visiting Colyton do note that until the end of this month information about local churches is displayed in the window of The Little Shop in Market Place. An added attraction now is details about the progress of the new Colyton Youth Centre being built at the playing fields.

September also brings the local Christian Aid Sponsored Walk on Saturday, September 26th starting at 9.30am. There are three routes to choose from — two miles, four miles or five miles — the aim of which is, by sponsorship, to provide funds for some of the world's poorest people. Sponsorship forms are available at the back of St Andrew's Church, Colyton.

There are lots of other events being celebrated by special prayers in churches or special services this

month and most notable of these will be those commemorating the start of the Second World War, 70 years ago, with still for many, sad memories of what this conflict meant to local families.

In east Devon there will also be memories of those who came from the cities to stay in comparative peace and safety. Some joined local churches and others were married in local parishes. Many friendships were made at that time and it would be good to hear some of those memories which still flourish.

Exeter's Anglican Diocese has over 500 churches still in use across the county; and happily outside this number there are few fine churches which are no longer required for regular worship. When this happens there is a national charity, entitled The Churches Conservation Trust, founded in 1968 and celebrating its 40th anniversary, which can be asked to take on such care, provided all other alternatives have been exhausted. At present, the charity has 340 fine English historic churches on its books. All the churches remain consecrated and are available for occasional worship.

The trust receives some government funds but more is always needed and information about the trust and ways of helping can be found on the website www.visitchurches.org.uk/thetrust.

To all in Axminster and district a reminder that the Alpha Course, run by Churches Together, starts on Thursday, September 10th at The Chapel, Musbury Road, Axminster. For more information contact Darrell Holmes on 07837 447025 or Ray Hunter on 01297 34404.

Two 'welcomes' for double new church leaders

◆ REVD Linda M Chester BSc

THERE was a double bill of 'appointment' services in Seaton churches over the weekend.

Revd Linda M Chester BSc was welcomed as the new Methodist minister for Seaton, Axminster, Colyton and Dalwood during a service at Seaton Methodist Church on Saturday, September 5th.

She comes to east Devon from Wimborne Minster, where she had been in charge of three churches.

Revd Linda was a science teacher for 17 years before entering the ministry in 1993. She served seven churches in Cornwall and three churches in north east London before moving to Dorset.

Also on Saturday, September 5th, Revd Simon d'Albertanson was inducted as the new pastor of Seaton Baptist Church.

This service was held at the United Reformed Church in Seaton.

The new pastor is married to Kay and they have two young boys, Josh and Sammie.

Simon has worked in the RAF as an air traffic control officer and, later, as a senior instructor with the Abernethy Trust, a Christian adventure centre in the Highlands, before he trained as a Baptist minister.

He has been at Pinhoe Road Baptist Church, Exeter, for the past five years during which time he has been the youth pastor and, more recently, the associate minister.

■ Slimming World

It's a big month for Slimming World and its members everywhere. Not only are they about to celebrate 40 years in the business, members throughout the country have just had their annual Woman of the Year competition which celebrates the success of many members but honours one member per group as their winner. This year, it was a close run thing in both Honiton groups, and both group winners were voted for because of their determination and the inspiration they give to the rest of the group.

Pictured here are members of the Honiton evening group with their group winner, Anita Tipping. These four ladies together have lost a staggering 17 stone and are all still actively looking to continue their weight loss.

How inspirational is that? Would you love to be able to eat and enjoy "real food" that will satisfy your appetite while you are slimming? Of course you would. What

about being able to create satisfying meals the whole family will love, and to lose weight without ever feeling hungry or deprived.

Your local consultant, Sharon, is ready to welcome you into her friendly and supportive groups where, with the power of other members, everyone is encouraged with warmth and inspired to succeed. Food Optimising is a healthy eating programme for healthy appetites. It is generous, effective and flexible and is the perfect plan for food lovers. It's got nothing to do with fads, counting or weighing and everything to do with choice, and gives slimmers the power to enjoy real food and still lose weight. Drop into one of the local groups either at the Honiton community College – Tuesdays @ 5.30 pm or the Honiton Baptist Church Hall – Wednesdays @ 10.30 am or 12.30 pm or call Sharon on 01404 41513 to find out more about any East Devon group.

HOW TO RENT OUT YOUR PROPERTY WITHIN FIVE WEEKS

LANDLORDS in East Devon still hold the cards when it comes to securing the best tenants

Local lettings agent **FULFORDS** reveals the UK's Top 5 Tenant Requirements, based on research issued by the UK's largest lettings agent.

Fulfords took part in a UK-wide lettings survey, conducted by Countrywide Residential Lettings, which found that agents were still able to rent 91 per cent of their stock within five weeks.

The survey was based on a network of agents, including Fulfords, which interact with 50,000 landlords and tenants every year.

Despite the rising number of properties in the rental market Fulfords has managed to grow its landlord instructions and find properties for tenants with high demands.

Kirsty Lane, Lettings Manager with Fulfords said: "The residential lettings market has boomed in Honiton and the surrounding areas over recent months, with many home owners turning to the rental market to become first time landlords until house prices begin to rise in their area. This has led to substantially more properties now available to rent and competition is fierce.

"We've established five key areas to focus on, which can ensure landlords find suitable tenants quickly. Landlords need to work much harder at making their property attractive to their target rental market to secure the optimum rental income."

1. Cleanliness

First impressions count on viewings and this especially true during a recession, as tenants are more likely to economise and spend more time at home. It is important that a property is spotlessly clean, presentable, in good condition and well maintained.

2. Appearances count – inside and out!

Tenants expect their rented home to be convenient and cost effective. They also expect to view a property that is presentable and in a good condition to move in at short notice. A property that needs repairs suggests to the tenant that the landlord is not managing the property properly, which will put off anyone in need of a hassle-free rental arrangement with professional maintenance support.

Top tips - interiors:

- Do not underestimate the power of fresh paint and smell of new carpets to let your property. Thought should be

given to how the flooring flows throughout the property to create a feeling of space. Remember your target market - wooden floors remain popular but are often best suited to professionals and couples with no children. Carpets are a must in children's bedrooms and period properties that need the insulation of carpeted flooring.

- Stick to neutral colours where possible – a 'blank canvas' will create a light space

- Ensure the property is secure with functioning locks and spare keys

- Lights have shades and functioning bulbs

- Utilise space and create ample storage (

- Thoroughly clean surfaces to rid tiles of any unsightly mould and treat wooden surfaces to remove any signs of damp

Top tips - exteriors

- First impressions count – make sure your home is warm and inviting

- Window frames should be rot free and clean

- Gardens should be cut, fences mended and gates fixed - an unkempt garden can cause serious damage to brickwork and rental value

- All outside lights should be working

- Clear gutters and drains
- Any garages or sheds should be kept clean and secure

3. Unfurnished v furnished

Tired sofas and beds distract from the potential of a property. If you're struggling to fund decent furniture consider hiring it or opt for unfurnished and let the tenant make best of the space by furnishing it to their standards. If a property is being offered furnished, remember the style of the property, the rental market and type of tenant you are targeting, e.g. young professionals, students or families.

4. Broadband, Digital TV and telephone

High speed internet connections, phone lines and digital televisions and are a proven to improve rental appeal as tenants do not want the hassle of sourcing providers and installing their own connections. Many landlords in city apartments have set up shared broadband and satellite TV syndicates to offer beneficial rates to tenants.

5. Storage

Tenants tend to underestimate the amount of storage they need. Landlords can embrace this fact by installing shelves, installing fitted

kitchens and utilising spaces above wardrobes, beneath stairs, in airing cupboards and under beds. Use sliding doors to create more storage space in corners where in rooms where traditional doors are an inconvenience.

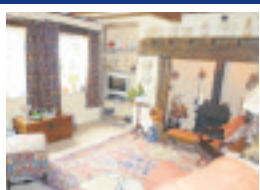

Kirsty adds: "By focusing on the Top 5 Tenant Requirements, we're able to find tenants who'll pay the market rate. Tenant demand is strong right now if it's taking you longer than five weeks to find a tenant then our team of specialists can offer professional advice and recommend changes before re-launching your property and aiming to find tenants within five weeks."

Fulfords operate seven branches across Devon and are experts in the lettings field. For a free market appraisal please contact your local lettings specialist on 01404 46010 or pop in to the branch at 99 High Street, Honiton.

LatinDX becomes SalsaDX!

Why not get involved with the keep-fit dance craze that's sweeping the nation?

THE hottest and most addictive new Latin workout to sweep the nation is changing its name!

Salsa DX director and teacher Angus Peters said "after much consultation we have decided that the name Salsa DX better reflects what we do - and more importantly better sums up the energy and approach we have to our classes."

If you are ready to de-stress and re-energise, then join the fast growing number of people already addicted to Salsa DX. It's fun, it's easy and can burn up to 600 calories in an hour! A high-energy fusion of fun and dance-based fitness set to inspiring Latin music - guaranteed to put a sweat on your brow and a smile on your face. Get fit, tone up and most importantly, feel good!

At a SalsaDX class, exercise is enjoyable, not a chore! And if you're having fun it's much easier to stay motivated. A

sociable atmosphere, enthusiastic and experienced teachers and exciting dance moves are guaranteed to make you feel good. It's easy to forget you're working out! As well as a cardiovascular workout, Salsa DX incorporates interval training, which is now considered to be the most effective way to zap that fat! Hot Salsa body moves target those problem areas - abs, bums, legs and tums. As your confidence grows, you can add in upper body moves for a total body workout. Salsa DX will also improve your balance, posture, agility and confidence!

Using the very best Latin music from old school Salsa to Latin HipHop, Urban and R&B, combined with sizzling dance moves straight from the Latin club scene, your body will want to move from head to toe - it's fun and totally addictive!

It's easy to get started with SalsaDX's experienced teachers guiding you through a simple warm up to raise the heart rate, then building step by step into the main cardio workout that will recharge and tone your body before the final cool down.

Salsa DX classes are suited to anyone with a basic level of fitness and let you push yourself further to work harder as you get fitter. There's no danger of getting bored either, with innovative new choreography each week that gives your mind a work out as well as your body!

If you are already Salsa dancing their routines will give you lots of new 'shines' to use in partnerwork and let you experiment with body movements and styling to enhance your dancing!

Train Up For Transition at Monkton Wyld Court.

Practical Courses for 2009-10

The vision is for Monkton Wyld Court to become an exemplar of intelligent adaptation to the world's environmental, social and economic changes, where a diverse range of people can come to learn and share practical skills in sustainable living.

SPIRALLING INTO DIVERSITY

September 11 & 18 - Two Linked Days FREE!

For this GreenPrints event we will be creating a pond and biodiversity garden area to enhance our Wyldside walk. This is a wonderful small-scale technique that allows us to create a wide range of microclimates and so a haven of biodiversity. The pond uses an indestructible waste product to create a rain-fed, multi-layered, aquatic system - home to marginal, floating, shallow-water and deep-water plants as well as frogs, newts, toads and other pond life. The spoil from the hole dug for the pond is used to create a mirroring mound that offers a variety of plant habitats ranging from hot and dry to moist and shady.

GARDEN WORK WEEK

September 13 - 18 (Sun - Fri) - £50 fully residential

Spend a week working alongside Monkton gardeners in our organically-managed Victorian walled kitchen garden and grounds. Develop your skills and enjoy delicious vegetarian meals prepared using the harvest! Arrive Sunday evening for supper 6pm, leave after lunch Friday.

WILD FOOD IN AUTUMN

September 11 - 13, £195 residential, £135 non-residential with Clio Wondrausch

Experience, Learn, Gather, Prepare and Feast Foraging from Countryside, Garden and Coast. Autumn's offerings are rich in beauty, and in nourishing and healing powers to help us through the winter. Learn to gather, preserve and prepare delicious nutritious meals, and which plants to give a respectful distance.

INTRODUCTION TO PERMACULTURE DESIGN: SKILLS FOR SUSTAINABILITY WITH GEORGE SOBOLE

September 18 - 20 2009 (Fri - Sun)

£195.00 residential [£133.00 concessions]

£130.00 non-residential [£68.00 concessions]

Permaculture is a practical design system for sustainable living. It stresses working with nature and helps you identify steps for positive change for yourself, your family and your community. It is ethical, creative and inspiring and gives a blueprint for our survival and the repair of this degraded planet.

MONKTON WYLD COURT OPEN DAY

Sunday, September 27th

Everyone is invited to celebrate the unveiling of Monkton's new Wyld Walk. The Walk, a nature trail around Monkton's grounds funded by the SITA Trust through the GreenPrints Programme, has been designed to allow visitors to explore and enjoy our diverse natural habitats. Stalls, delicious food. Find out more about who we are and what we do! We look forward to seeing you on the day.

CREATIVE COPPICING 1 AND 2

October 14 - 15 (Wed - Thurs) & November 11 - 12 2009 (Wed - Thurs) FREE!

These two GreenPrints events will give participants the experience of regenerating some existing hazel coppice by returning to coppice stools, planting some new mixed ash, oak and hazel coppice, and creating a new willow coppice, below our reedbed system. This will be used to grow materials for willow weaving and drawing-charcoal production. As well as being productive, the areas of coppice will increase the biodiversity of our site.

HOW TO SET UP A LOW IMPACT SMALLHOLDING

WITH JYOTI FERNANDES AND SIMON FAIRLIE
October 16 - 18 (Fri - Sun), £195 residential £130 non-residential

This course is designed to introduce people interested in starting their own low impact land based projects. Jyoti and Simon have both been involved in setting up low impact smallholdings (Fivepenny Farm and Tinkers Bubble) and have many years experience in helping projects gain planning permission. The course looks at the possibilities for living on the land in your own self-built eco-home, what kinds of enterprises to consider, writing a land management and business plan, how to find land, how to apply for planning permission, and how to survive those exhilarating and exhausting first months.

DOWSING - AN INTRODUCTION AND OVERVIEW WITH ALAN NEAL

November 6 - 8 2009, £195 residential £130 non-residential

Dowsing is a many-faceted art and encompasses a variety of different areas, each one a specialist subject in itself. In this 'overall view', once the basics have been mastered, students will be given as wide a perspective as possible of the subject as a whole so that they are fully aware of its many applications. Areas touched on will include the detection of dowsable energies other than water (including leys, fault lines and lines of geopathic stress), map dowsing, archaeological dowsing, and dowsing in connection with healing.

The course will include as much practical work as possible.

BOOKING IS ESSENTIAL FOR ALL COURSES

If you live outside the area we can offer bed and breakfast accommodation.

You can book on any of these courses online by going to www.monktonwyldcourt.co.uk or by telephoning 01297 560342. For more information you can also contact us by email info@monktonwyldcourt.org

COOKING LESSONS BEING OFFERED IN AXMINSTER

THE locally based charity Health and Local Food for Families is once again starting up its autumn schedule of cooking sessions. These sessions are aimed at mothers of young children, 0-3 year olds in particular, and are run throughout the autumn and winter months at various venues. In Axminster the new set of sessions will now be held on a FRIDAY, at the Methodist Church Rooms, from 10.15-1.00pm. A free lunch is then on offer to all the mums and children that attend, so everyone can have a chance to enjoy the fruits of their labour!! Free childcare is available so any siblings are welcome to come and watch while mothers can relax and have a chat with friends about food and any nutritional concerns. Every year the sessions are very popular so please ring Tiggy on 01297 552303 and book yourself a place if you want to come along and see how it all works.

This year HALFF will also be running workshops in Chard, Lyme Regis, Honiton, Beaminster and Broadwindsor, dependant upon the necessary funding being available, but Chard and Lyme Regis are already scheduled to have six sessions running from September through to the new year. In Chard, the sessions will take place at Crowshute House once a month on the 3rd THURSDAY of the month from 10.15 to 1.00pm. In addition, there is a Taster Session on the 15th September from 1.00-2.30pm. Lyme Regis sessions are to be held at the Childrens Centre, Kingsway, for six consecutive weeks starting on Wednesday 16th September between 3.00 and 5.00pm.

New to HALFF this year is the implementation of evening classes to be held at Axminster. These will take place in the Home Economics Dept. at Axe Valley Community College from 6.30 to 8.30pm and commence on the 22nd of September.

Should you need any more information about Halff (Charity No. 1121605) and its cookery sessions, please contact Tiggy Parry on 01297 552303 for an informal chat.

FORD SHINES IN AUGUST SALES RACE

FORD car sales outperformed the market last month almost three times over, according to industry figures out.

Continued busy scrappage trading also helped market leader Ford to take 16.9 per cent of total August registrations – up from 16.1 per cent a year ago.

While August's car market grew by 6 per cent year on year, Ford's sales leapt by 17 per cent, according to the Society of Motor Manufacturers and Traders.

Almost 1,400 of Ford's 10,755 car registrations in August this year were to customers scrapping a 10-year-old vehicle or older in return for a minimum £2,000 incentive. Ford sold 9,199 cars last August – traditionally the second smallest market ahead of September's annual plate change.

As scrappage scheme registrations are dominated by retail customers, increased deliveries of Ka, Fiesta and Focus models drove up Ford's private car sales by over 25 per cent last month. Ford has delivered over 13,000 vehicles to scrappage customers since the scheme began in May.

The Ford Focus, in particular, started with 4,366 August registrations versus 2,933 in the same 2008 month. August's top selling car was the Ford Focus, while Ford Fiesta tops the year-to-date sales charts.

Nigel Sharp, Ford Britain managing director, said: "August proved to be a surprisingly strong run-up to this month's '59-plate' launch. The momentum of scrappage through early summer together with September's plate change suggests a busy month ahead at Ford dealerships."

D.A. LEE

WESTCOUNTRY JAGUAR

Independent Jaguar & Daimler Specialist

Tel: 01404 891999

Passionate about Jaguars for over 39 years

With 39 years of experience looking after Jaguars, Derek Lee has brought his skill and passion to Dunkeswell. Derek provides the ultimate care in Jaguar repair and maintenance at a competitive price on a one to one basis.

Derek has been based in London where in 1976 he left his employment with a Jaguar main dealer agent to become one of the founding partners in Leeborn - a family based business, which even then was centred around Jaguars. Having become the business's driving force, and developed it into a highly respected Jaguar and Daimler sales and service centre, the company then moved to new purpose - designed, fully equipped premises and renamed the company D.A. Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers was simply the best.

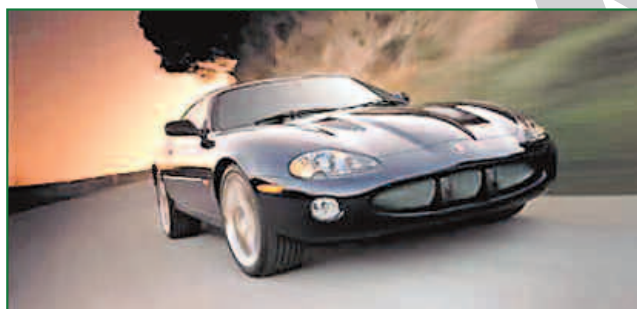

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races than he can remember and three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so that they were always in peak condition and absolutely reliable, he then added his own determination and drive. He is using that same formula to provide Jaguar and Daimler owners with the best independent maintenance and repair facility in the area.

Derek has looked after many customers from all parts of the globe - from all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the brand new premises in Dunkeswell, like a Series II V12 Coupe which Derek has looked after for 32 years. Some of Derek's old London based customers having moved to the West Country, and after learning Derek is based in Dunkeswell, are coming back to re-establish service on their Jaguars.

Derek has the latest and best equipment money can buy in his workshop. From the computerised engine diagnostic and tuning unit to an air-conditioning maintenance machine, which also cares for the environment - no refrigerant is released into the atmosphere.

D.A. Lee is fully equipped to carry out all maintenance and repair work on Jaguar or Daimler cars. D.A. Lee offers the best independent and personal Jaguar service with all work being carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade Oils. Regular reports keep you in touch with your car's progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. Whatever your Jaguar needs, D.A. Lee is able to provide a service second to none.

Call Derek Lee now on 01404 891999 "Your one to one personal Jaguar emergency service".

CUSTOMER TESTIMONIALS

Hi Derek,

Just to say thank you for the recent work carried out on my Jag. Everything is perfect and as I was so impressed with your service I will, without hesitation, use you again and will also recommend you to others.

R&P, Axminster

.....
Thank you for servicing the X type. Moving to another garage is always a risk, but I just wanted to say how impressed I was with the whole experience of moving away from a main dealer to you. From the very first phone call to getting the car back was fantastic, a level of service that one really only dreams of these days, certainly five star plus.

And to top it all, the cost of the service was realistic with no nasty surprises or unexpected expenses attached. It was a true pleasure to deal with a craftsman who knows his trade and is passionate about Jaguars. Thank you.

M.K. Honiton

.....
Dear Derek Lee,

I write formally to put on record the excellent work done for maintenance and overhaul of my S Type Jaguar. The car feels like new again and is a pleasure to drive.

I cannot speak highly enough of the cleanliness and order, both of your workshops, and of my car when returned. All the work was of a very high standard and was carried out with the manufacturers spare parts and at substantially lower charges than at a main dealer.

I would not hesitate to recommend your work to other owners.

T.McC, Wick, Honiton

.....
Dear Derek,

I was delighted with all aspects of the service I received from Derek Lee at West Country Jaguar. Derek's in-depth knowledge of all things Jaguar and his speedy and expert diagnosis of the problem I had with my X-Type left me a very, very satisfied customer indeed. This was in contrast to a number of visits to various Jaguar main dealers which have left me often frustrated and occasionally less than happy with the service I received. On return, my car was valeted to a high standard and has since been running beautifully. What more can you ask! All my own words!

'Staycation' costs UK motorists dear

MOTORISTS choosing to have a summer 'staycation', coupled with deteriorating road conditions, have been attributed to Auto Windscreens recording higher than normal windscreen repair figures in July and August this year.

Traditionally, job volumes in July and August for the automotive glazing services company are low as people choose to leave the UK for their summer holiday. However, Auto Windscreens has been non-stop this summer, with repair rates as much as 16% higher than the same period last year. To cope with demand the company has even had to recruit extra staff in its UK-based call centre.

Nigel Davies, Auto Windscreens Sales and Marketing Director, explained: "In previous years more motorists have chosen to holiday abroad resulting in their cars being off the road and therefore less opportunity for windscreen damage."

"There is an estimated £1bn shortfall in road maintenance budgets and, unfortunately, motorists who have chosen to save money and holiday at home this year are paying the price for that shortfall as the increased number of chipped windscreens we have dealt with will testify."

If a driver is fully comprehensively insured it is far cheaper to repair a windscreen than replace it. Many drivers do not even have an excess to pay. Where possible Auto Windscreens will repair a windscreen rather than replace it.

Drivers wishing to have chips repaired before they become a costly crack requiring replacement, can call Auto Windscreens' freephone number - 0800 999 8000 or book online at www.autowindscreens.co.uk.

BOWLS ROUND-UP

Good bowling at finals weekend

Seaton with David Ford

**FINALS WEEKEND 29th-30th AUGUST
LADIES FINALS**

2 WOOD: ANN BROWN 16 PAT WHITWORTH 8. This match was evenly balanced for 12 ends at 9-6, but Ann finished strongly and ran out a comfortable winner.

3 WOOD: SHIRLEY FEWTRELL 112 ANGIE MAYHEW 56. Shirley was in devastating form in this final, losing shots on only two of the 14 ends played. Angie who has had an excellent season herself, came up against a player playing at the top of her game.

4 WOOD HANDICAP: SHIRLEY FEWTRELL (27) 27 CHRIS McDONALD (23) 20. Chris started the stronger leading 10-6 after 12 ends, but scored only five shots over the next 18 ends.

Meanwhile Shirley had increased her score to 26 needing just one shot for victory.

A spirited comeback by Chris saw her get to within three shots of her target, before Shirley closed out an excellent match with a single on the next end.

CHAMPIONSHIP: JOAN MILES 21 JULIE GRANT 13. A ding-dong battle ensued in the one final all players would like to win, with Julie seeking her third successive victory, and Joan her first.

Julie reached the dreaded 13 scoreline on 14th end with her opponent just 2 shots behind. At this point Joan raced away to a 3.3.3.1. finish to take the title in confident style.

MIXED FINALS

3 WOOD: ROGER WOOLLAND 110 ANGIE MAYHEW 76. Angie matched Roger on 10 of the 18 ends played, but an inspired spell of bowling in the middle 8 ends saw Roger home to a comfortable victory.

LADIES INVITATION PAIRS: SHIRLEY FEWTRELL and ROGER WOOLLAND 24 RON ROWLEY and JULIE GRANT 19. This was the victors third successive victory in this competition, although their opponents matched their skills up to end 13 (that number again). At this point a count of 6 shots against them, possibly lost them the match.

MENS FINALS

2 WOOD: ROGER WOOLLAND 21 JEREMY ALLISON 18. So near and yet so far for Jeremy, a member who took up bowling just two years ago.

He had Seaton's best singles player struggling at 18-12 down with the winning post in sight, having won 16 of the first 23 ends played.

A spell of excellent bowling over the next five ends saw Roger home a very relieved man. Congratulations to both players for providing some nail biting entertainment in what is possibly the most difficult of all the competitions to win.

3 WOOD: RAY McDONALD 110 LAURIE SKIPPER 81. Laurie who knocked out Roger Woolland in the

first round of this competition, came up against an inform Ray, and five double figure scores saw him home to a deserved victory.

4 WOOD HANDICAP: LES TOOZE 21 DON YAXLEY 14. A four shot start for Don kept the score on an even keel until end 11, a spurt of eight shots to two over the final six ends saw Les home to a deserved win. **CHAMPIONSHIP: ROGER WOOLLAND 21 LES TOOZE 14.** Roger secured his third successive Championship and his sixth overall in a final that lasted for 16 ends.

Both players won on eight ends and at end 12 Les was just two shots behind 11-13. That became 11-20 when Roger scored a superbly drawn four, followed by a take out shot worth another three. He closed out the match two ends later.

MENS PAIRS: JOHN PACKHAM and ROGER WOOLLAND 21 ALAN PRITCHARD and GEORGE MABON 14.

MENS TRIPLES: ROY MESSEDER, ROY YOUNG and ROY CARNELL 18 ED BACKHOUSE, PETER MATTOCKS and RAY McDONALD 10

SAWARD TROPHY: RAY McDONALD 21 DENIS COLES 14. A strange match split into three sections. The first eight ends saw Ray 11-1 up, the next nine ends saw the scores level at 14-14 with Denis on a roll, only for Ray to score the following seven shots to win the game.

JUBILEE CUP: MALCOLM CARVELL 21 KEVIN FROST 16. Malcolm got away to a flyer, 11-0 up after only six ends, but a great comeback by Kevin saw the score at 21 ends reading 19-16.

The poor start ultimately cost Kevin the victory, when Malcolm scored the two shots he needed on the next end.

Congratulations to all the players, both winners and losers who took part in this years finals.

You all provided the many spectators with some excellent bowling, all the matches played in the true sporting manner this sport expects.

Honiton with Tony Broughton

SATURDAY, August It's been a story of missed opportunities this week for all the ladies involved in County Finals.

Thursday saw them going to Madeira to play in the Grace Mathews Trophy known as the Devon Top Club Competition.

It is played over five disciplines and in the morning's semi-final Honiton played Barnstaple United Services.

It was a very hard fought match. Rosemary Hiron was first to finish with a 17-11 win in the Two Wood Singles. Carole Fisher was next in the four wood Singles after a tremendous fight against Chris Lake, one of Devon's Johns Trophy squad, the game stood at 20-20.

Chris gave Carole the mat and she soon had a bowl right on the jack. Chris managed to move it and expose the jack but she just missed the conversion by a whisker and Carole won 21-20.

The next tight match was the triples. Yvonne Rayner, Ann Hillyear and Dulcie Broughton managed to hold a very strong trio to 15-15 going into the last end.

The opposition was holding four shots when Dulcie went to the mat but with the last bowl of the match she trailed the jack for two shots to win 17-15.

Rita Barwick and Brenda Harris did well to win the Pairs 18-12 and Lynda Dommett, Chris Nex, Joan Heard and Sue Evans just missed out in the fours at 18-20.

The final in the afternoon was against Plymstock, Plymouth. This was a very much different affair. The rinks were changed in direction and proved very tricky to find. The Plymstock had a stronger, and I must say a little younger squad and just proved too much for Honiton who came out second best at 1-4.

Never the less this was another magnificent effort for the Honiton Ladies to finish second out of 51 Clubs that entered, well done again girls.

Friday saw Jean Mitchell and Rita Barwick playing for the honour of being crowned Devon over 70s Ladies Pairs Champions. In the morning semi-final their opponents were a pair from Plymstock skipped by Mary Player, whom they beat.

In the final they played against Wendy Barnard and Genny Moore, a very tight match that resulted in a one shot defeat for the Honiton pair.

Friday also saw Carole Fisher and Sue Evans up against Madeira's England pair Liz Smerdon and Sue Harriott. After a thrilling last end in which Sue was four down on the match she did managed to get two shots so missed out on County Championship by two shots.

Sue and Carole were in action again later, this time joined by Joan Heard, for the two wood triples final now they were up against a triple from Tavistock skipped by Sue Wilcox, but again they could only manage second place.

Later in the week Rita Barwick was in action with Carol Pidgeon and Pearl Hackwood. This time at Tiverton West End Club in a Two Wood Triples, and guess what they were runners up again. Still not bad second out of 24 teams.

It just goes to show how good a bowler you need to be to become County Champion. But it shows how competitive the Honiton Ladies are, to have so many in the County Finals is a magnificent effort and we are all very proud of them.

Axminster with David Harris

AFTER losing badly at North Tawton (17-42) with both rinks playing poorly the over 60s came back strongly to beat Pines Gardens at home (41-24) with Graham Ayres, Pat Hicks, and David Harris winning

20-9 and Les Monk, Frank Bridge, and Roger Legg 14-11.

We then went on to win at St. Thomas A (29-22) with both rinks again winning- Chris Coombes, Derek Eldridge, and Bob Sherborne (15-11) and Graham Ayres, Frank Bridge, and Roger Legg (14-11). We have finished the season in a commendable fourth position.

The Ladies lost their friendly at Lyme Regis (46-87) with Ann Clayton, Gill Gait, and the 'imperturbable' Margaret Crompton the only winners (20-12).

Unfortunately Chardstock could not raise a side for their match with us but the Ladies went on to beat Ilminster at home (61-32) with Phyl Bolwell, Marion Harris, and Margaret Crompton the top rink (23-8).

The friendly mixed results followed their familiar pattern with home wins and away defeats on grass! Losses at Severalls (41-76), Honiton (52-120), and in a closer game at Ottery (64-68) where Les Monk, Alan Taylor, and Margaret Crompton (16-15) did well were followed by good home wins over Taunton B.C. (103-59) where Jean Bruckshaw, Barbara Mowatt, Derek Eldridge, and Margaret Crompton excelled and against Severalls (120-55) with Brenda Flanagan, Ken Quick, Pat Hicks, and Sheila Martin (34-10) in top form. Chardstock were unable to raise a side for their match with us.

Feniton with Roger Smith

FENITON over 60s triples A team had their final match of the season against Honiton B.

In a close and thrilling encounter Honiton were the victors by 28-32, one rink was tied. The result had no bearing on Feniton's final league position of third in Division Three.

Captain Richard North was very pleased with the team's performance in their first year in the Division.

Feniton over 60s triples B team were in action on Wednesday in a rearranged match against Ottery St. Mary. Feniton were victorious winning by 34-23.

The winning rinks were G. Skinner, A. Godfrey and D. Conbeer 19-12 and F. Jones, R. Clarke and L. Ley 15-11. Captain Frank Imms was well pleased with the resurgence in the team's form, in recent weeks, which has helped stave off the threat of relegation from Division Six.

The weather caused the cancellation of Wednesday's match against Exonia.

However, a rearranged mixed match against Tiverton Borough on Saturday resulted in tie 77-77. The winning rinks for Feniton were F. Brooks, R. Clarke and L. Eveleigh 21-12, J. Dibble, R. Veitch and I. Veitch 21-13 and G. Phillips, E. Tuck and D. Conbeer 15-12.

GOLF ROUND-UP

Axe Cliff complete double over Long Sutton

HONITON with Paul Dimond

THE last two weeks have seen the gentlemen of Honiton compete for the last 36 hole trophy of the season, The Marker Cup.

Week one saw Bob Bilyard master the controls of his buggy and his golf swing for the round of the day 65. Paul Coates finished second in the Division with a creditable 67.

Division Two was won by Steve Bromby with a 67. Comfortably beating Dean Bonetta, four back on 71. Week two saw Alan Seager triumph in Division One on count-back from Stan Squire, both finishing with a 66.

In Division Two only countback could separate the top three with Steve Bromby triumphing over Buzz Harris and

Geoff Filtness.

But it was a countback which inevitably pushed Steve into second place overall. His 67 + 67 = 134 was narrowly beaten by Stan Squire with his better back 18, 68 + 66 = 134.

Seniors Section

FOLLOWING their success in the Honiton Challenge the Seniors took on the Ladies Section with the Otter Trophy at stake.

This is a keenly fought contest every year with no quarter given or taken. It would be ungentlemanly to mention the score but if women are from Venus the Martians won. Consolation for the Ladies was the splendid performance of Captain Sue Selway and Vice-Captain Elizabeth Ward

who led from the front and saw off their opposite numbers 2 and 1.

AXE CLIFF with Helen Gaudie

THE ladies played their September Stableford in very blustery conditions with the occasional shower in the morning.

The winner of Division One was Barbara Cummings (25) with 37 points and the winner of the second Division was Margaret Brown (26) with 28 points.

The Seniors returned to winning ways on when the team visited Long Sutton last Tuesday for the return inter-club match.

Having won the earlier fixture at Axe Cliff this win pro-

duced a notable double as well as the third win away from home this season.

The margin was narrow 3 1/2, to 2 1/2, and the winning pairings for Axe Cliff were Brian Wilkes & John Pugh, Gilbert Cox & Hugh Willis and Peter Knighting & Morrison Brown.

The half point was gained by Tony Strong partnered with Rob Grove. On a showery Friday, 30 Seniors took part in a Charity game for the Captain's Trophy. Despite intermittent rain Keith Wilson (12) scored a very commendable 38 points to win the Trophy beating Sid Pember (18) with 37 points into second place.

Third spot went to Paul Burgess (23) with 36 points.

TAYLOR RETAINS CHAMPIONSHIP

SIDMOUTH GOLF with CHRIS HAIGH CLUB CHAMPIONSHIP

DUNCAN Taylor retained his Club Championship with a magnificent total of 133, just one over par.

Prior to the day the smart money was on James Pickard and this looked ever more so after he took the lunchtime lead with an even par 66 to lead Taylor by two.

The pace slowed early in the afternoon and Pickard's 35 to the turn took him four shots clear but Taylor stormed home in 28 highlighted by an eagle to finish and took the title. Former Champion and steady man Martyn White collected third place money with 140.

STABLEFORD

IRON Man Club Champion Duncan Taylor followed up his win over 36 holes on Sunday by defeating County Vice-Captain Neil Holland in The Hall Trophy semi-final in the evening and returned on Monday to collect 44 points and win the Stableford.

Probably a little stiff on the first tee, who wouldn't have been, he recorded an opening bogey but it proved to be his only mistake. Three birdies followed immediately and more at the 9th, 13th and 17th made a gross round of 61 and a four point win.

Nervous course record holder Nigel Winchester responded to the threat to his 1974 card with 40 points himself to pip Rob Winter for second place.

Duncan's six birdies moved him just one nearer to James Pickard but give him a nice cushion of 8 over Marc Shoorbridge as the top nine positions remain unchanged.

Little life left in the Eclectic now but the Duncan Taylor success story rolls on as he improved twice (at the 3rd and 9th) and moves in to a tie for second on 49, three behind Pickard. You need to look well down the field for the next movement as Terry Jones improved to 56 with a

two at the 6th.

UPPER CRUST BAKERY TROPHY

IMMEDIATE Past Captain Neil Faulkner of The Upper Crust Bakery reinstated his event after a gap during his year of captaincy.

The format was a variation on the usual better-ball whereby each player must appear on the card nine times with the decision taken on the completion of each hole. Confusion reigned and Bar and House Manager Phil Beer will subscribe to a series of lessons on card marking as failure to count to nine resulted in another disqualification!

No such problems for John Jones, recently returned from Australia, and the sponsor's close friend David Pepperell who collected 45 points for a clear win. Possibly concerned about a dropped point on the final hole they didn't have long to wait as they were last group in.

Jack Hodge and David Bater followed with 43 with Jack required to play the majority of the last few holes. Brian Rostron and Pat McCormack recovered from a slow start and took third on countback from Nick Gingell, warming up for cricket, and Nick Baker. Interestingly, Gingell declined to record a two at the 14th as this would have left his partner to play the last four holes alone!

Peter Spooner and Tevor Kerridge stormed through the back nine and would have taken third but for a rare slip from Trevor at the last.

Regular winners Lady Margot Beauchamp and Maureen Howard took the Ladies prize on countback from Sue Pyne and Gill Paddon.

Club Captain Paddy Tallon gave thanks to the sponsor for his most generous support.

◆ **WELL DONE:** John Jones and David Pepperell with Patrick Tallon and sponsor Neil Faulkner and the Upper Crust Bakery Trophy.

Harry scores again at Shepton after 50 year gap!

AXE VALLEY RUNNERS with DAVE MUTTER

LAST weekend saw a new event in the Axe Valley Runner's Calendar, the RunFest.

This was a weekend of social running, camping, massaging. It was a great success, with a good turn out of people having fun on the run, because of that it will now be an annual event.

Special thanks to Tim Salter at Manor Farm Caravan Site, www.manorcaravansite.com. A superb time was had by all walkers and runners.

Harry Moore ran the Shepton Beauchamp 10K Multi Terrain race in 1:24:18, a full 10 mins quicker than last week's race.

He won the over 70 category and was the oldest competitor to finish. It seemed like only yesterday, but it was nearly 50 years ago that Harry scored his first goal for Seaton Town at Shepton!

Sunday was the 21st running of the Bristol Half Marathon. Luke Reed was the lone AVR in the field of 11,000 runners. The race was won by Kenyan Ezekie Cherop in a blistering 1.03.26. Luke had a fantastic run of his own, finishing 140th in a brilliant new PB of 1.20.11, knocking over two mins off his previous best.

Last Tuesday Reed and Chris Keffe decided to try a new 5k route and so took part in the Run Exe 5k series in Exeter organised by Ironbridge Runner. Kevin Heywood of Bideford AC was first to finish in an incredible 14:58 taking home £50 for breaking 15 minutes.

Luke had a superb run and finished with a new P.B of 17:17 and 13th place. Chris, who is still struggling since the Dorset Duddle, was pleased to get round in 19:03 taking 23rd place.

Both are looking forward to the last of the Yeovilton series this Wednesday.

Poor first half hits Hawks hard

HONITON HAWKS HOCKEY with ANN REED Honiton 2 Chard 6 Pre-season friendly

HONITON HAWKS return to action after the summer break (not counting the Summer League, which was organised by Honiton and played at Ottery St Mary during July, in which Honiton came second with the winners being the newly formed South Devon side Ashmoor) it took a while for the home side to get into its stride, whereas the visitors from Somerset seemed to be 'on the ball' from the opening whistle.

Chard managed to score four goals during the first-half through two each from Sarah McDermott and Maya Preston - and it could have been more, but for

the expert goal keeping of Hawks' Sue Stone.

However, in the second-half and only a minute after the restart, Honiton's Sophie George receiving the ball from a penalty corner pass, moved it neatly around the goal keeper, and found the back of the net with a smart final strike.

Chard managed to add to their tally with two more goals from Preston, who completed a hat-trick, and Katherine Holmes as the half progressed.

But again towards the final five minutes Sophie George was the player responsible for Honiton's second goal when she took the ball into the circle, and from a sharp angle, with a ferocious strike of stick on ball, sent it winging to the backboard.

So the second-half saw the two sides ending all-

square - a pity the first-half was not the same!

Player of the Match: Sophie George

Practices have begun, but this season Honiton is fortunate to have been welcomed to the practice session of ECVH at Cullompton Sports Centre on Tuesday evenings.

TOPSHAM Town striker Adie Carpenter hit what his manager and brother Danny felt was the best hat trick he has seen as they went on a goal spree at Otterton, winning 8-0.

All three goals were different but were the feature of a tremendous second half from the Tops.

Danny later came on as sub and also scored twice, with Callum Roberts on his debut scoring twice and Ryan Pym once.

Premier leaders Heavitree Social United had to wait over an hour to get ahead at Wellington Town but having broken through went on to win 3-0.

Two-goal Richard Austin and Callum Hoare scored for Heavitree, but they had to work hard against a much improved Wellington, for whom Will Radford in goal had a blinder. Craig Jackson and John Stanyard also played well for the Somerset team although this was their fourth successive defeat.

Thorverton won the big match of the day 3-2 at Clyst Valley, the home club's first set-back. Clyst were behind then led 2-1 at the break, but Thorverton finally turned the game around, an own goal providing the winner. Adam Langabeer on his birthday and Scott Laskey were the other Thorverton scorers. Ashley McDermid and Mike Lashbrook replied for a disappointed Clyst.

Sidmouth Town won impressively 4-1 at Exmouth Amateurs in their local derby thanks to a superb Andy Thompson hat trick. Thommo also created the penalty for Andy Isaacs. Tim Wright had the only home goal just before half time.

Willand Rovers celebrated their first win, 3-1 at Feniton, with Zack Skinner and Tom Bulley (pen) scoring their second-half goals. Rob England had the first in a game Willand controlled virtually until the last ten minutes when Feniton managed their consolation goal from John Phillips.

Newtown also won 3-1 against St Martins after getting the lead with an own goal. Nathan Melton managed to get the current champions back on level terms, but second half goals from Jake Hobbs and Corey O'Donoghue sealed it for Newton.

Budleigh Salterton won 2-0 at Alphington who paid the price for missing a number of first-half chances. Sam Schaeffli and Craig Higham were the Robins scorers.

Heavitree Social United came out on top in the battle of the promotion teams in Division One, winning 2-0 at Morchard Bishop with goals from Adam Davey and James Twiched. Beacon Knights, who were also promoted, drew 0-0 at East Budleigh who rated it a really good game despite the lack of goals.

Cullompton Rangers came from 2-1 down at the break to beat Bow AAC 4-2, James McMartin and Dave Hood both scoring twice.

Beer Albion were a goal down at Elmore but recovered to win 3-1. Kemp was the Eagles scorer.

Seaton Town also won 3-1 at Halwill with goals from Bradley Grovers, Richie Durrant and Cameron Vere. Lee Parsons had the Halwill goal.

Culm United and Sidbury United shared a 1-1 draw, Billy Ware getting the Culm goal.

Newly promoted Tipton St John ransacked Exmouth Amateurs 8-0 in their Division Two opener. Adrian Small with a hat trick and Adam Connitt with two led the way.

North Tawton also won 8-0 against Exeter Civil Service with Robert Board and Jake Ayries both scoring twice.

Honiton Town set off as 6-2 winners against Dawlish Town after going a goal down early on.

Tim Genders and Darren Witt both scored twice for Honiton.

Promoted Upwman beat relegated Westex 2-1. Dominic Perrott and Aaron

Frankham scored for the home side, Andy Lane replying.

PREMIER

REJUVENATED Beaminster just stole the headlines on an opening day full of intriguing results.

The West Dorset side, who flirted with relegation last season, laid down a significant marker of their intentions of having a significant saying in proceedings at the other end of the table with a 9-0 thrashing of Barrington.

Andy Southern led the goal rout with a hat-trick with the others coming from Tristan Gale (2), Murray Legg, Adam Gale, James Ridd and Sam Crocker.

Not far behind Beaminster were South Petherton, considered by many to be well-placed to reclaim their title this season and an influx of new talent recruited by manager Karl Diment. Pethy, the newly crowned Chard Hospital Cup Winners, crushed Perry Street 6-1 having led by a single Rob Hebditch goal at the break after same player had missed a penalty.

Hebditch struck again in a one-sided second-half as did Jodie Bovey (2), Paul Holt and John Hayter with Kris Groves bagging a penalty for the well beaten hosts.

Reigning Champions Crewkerne Town have been hit by an exodus of some of their top performers from last season and this has left manager Budgie Cook under no illusions after a 3-1 opening day reverse at White Horse. "We fielded seven new players today, it's going to take time for the team to settle - I think we'll be looking at mid-table this time" said Cook who saw his troops 2-0 down at the interval after a double strike from Dom McAllister. Jamie Spurdle pulled one back from the penalty spot but McAllister, who will be turning out for Axminster Town in the South-West Peninsula League first Division this season, completed a fine hat-trick. Horse manager Ian Pincombe was impressed by new signing from Charmouth Nick Phillips in a central midfield role.

A double from Ricky Smith helped Misterton to a 2-1 win over Lyme Regis at the Davey Fort one of the shocks of the day.

Lyme took a 37th minute lead when skipper Adam Caddy, employed up front by new manager Robin Townsend, was hauled down in the box and Malcolm Darby tucked away the spot-kick past Missy Captain Jerry Hill who has donned the goalkeeping gloves this season.

The lead only lasted three minutes when the ponderous Seasiders defence failed to take four chances to clear their lines and the razor-sharp Smith pounced.

After a period of Lyme pressure Smith struck what proved to be the winner just after the hour with a fine lob after a route one breakaway move.

Referee Lance Turner had a busy afternoon brandishing a clutch of cards including a red from Missy's Jack Flatt but the hosts, despite having Dom Rowe in fine form, failed to capitalise.

Barry Hayne was another of the opening

day hat-trick heroes in Merriott Rovers' 5-3 over an Ilminster Town Reserves side ravaged by first team call-up with manager Jamie Lee unable to call on three of his 'high profile' new signings; Paul and Mike McCormack who have arrived from Crewkerne and ex-Perry Street skipper Rob Webb.

New Charmouth manager Mike Walton saw his side go down 4-0 at Combe Reserves on their return to the top Division.

Despite the defeat Walton felt his team did ok and had a word for utility player Steve Wooloff and new goalkeeper Dan Dunford.

DIVISION ONE

LYME Regis Reserves led the goal-rush in Division One with a 6-2 win over Chard Rangers at the Davey Fort.

The Seasiders recovered from the loss of goalkeeper Jedd Whittington to a back injury to storm into a 5-1 half-time lead and there was no way back for the Rangers.

Will Thompson struck twice to take his career tally to 149 with the other first half strikes for Lyme coming from Neal Baker, Ben Morgan and own goal. Tony Thresher stabbed home from close range to get the visitors off the mark and Jamie Walpole added a fine the second but the goal of the game from a rasping drive from 16-year-old Lyme debutant Ryan Fifer.

Farway United made a good start to their quest to regain Premier Division status with a 4-0 hammering of Thorncombe at Eastlee Park. The Thorns missing injured top scorer Stuart Packer but boosted by the arrival of Stuart Bicknell from Chard Rangers were no match for a fast-paced Farway who clinched the three points with goals from Ben Williams (2), Dan Williams and Bradley King.

DIVISION TWO

DOWLISH & Donyatt backed up their notable showing in the Chard Hospital Cup with a 7-3 thrashing of newly relegated Chard United.

Chris Butler (2), Chris Lang, Andy North, Lee Mears, Matt Vinall and Ben Charlton scored for the Dons who could prove to be promotion contenders with ex-Ilminster Reserves skipper adding his Premier Division experience to a midfield which already boasts the talented Lee Mears.

Millwey Rise look certain to be up there with Dowlish and in doing so making yet another attempt to climb out of the Division. The Slopers made a good start with a 5-1 win over last season's runaway Division Three Champions Beaminster Reserves.

Mike Knight and the all-action Callum Garrett put Rise two up at the interval and second-half goals from Mark Vaughan, on his return from Charmouth, Peter Hoare and Ashley Phillips gave the hosts a convincing win which was only spoiled by veteran keeper Nick Tregale missing out on a clean sheet.

Sixteen-year-old Adam Neale crowned an impressive debut with the winner as Uplyme came from 2-0 down to beat Drimpton 3-2 at Venlake.

A double substitution on the hour from manager Rodney Rowe proved the catalyst as Swallows showed their character to complete a remarkable turnaround. James Beddows, nursing a heel injury came off the bench to roll home the first before fellow substitute John Matthews marked his debut with the leveller but it was left to Neale to fire home the winner late on.

DIVISION THREE

DIVISION Three defences be on your guard - Tim Hussey is back in the green of Hawkchurch! Hussey marked his return to the East Devon side with five in the 7-4 win at Combe A and will clearly find the net many more times this season after the step down from Division One outfit Pymore.

Luso-Chard proved too strong for Millwey Rise in a 3-0 win at Wadham School.

DIVISION FOUR

CHARMOUTH Reserves played the entire 90

minutes with just 10 men but had just enough in the tank to hold on to a 2-1 win over Hinton Reserves at Barrs Lane. First-half goals from Graham Herring and Gerry Bearpark gave the Robins the three points.

Rugby round-up

with Keith Jenkin

I DO look forward, just a little, to the first Saturday in September, the competitive start of the rugby season.

This year, owing to the eccentricities of those who control the league fixtures I was eased into the season gently for, out of the seven clubs that make up my "flock", no less than four had no league game.

The Eastern quadrant was completely bereft of rugby as the Bridport, Dorchester and Weymouth clubs were all fixtureless. Strangely, Chard, while being without a first team league game, had league involvement at both second and third team level.

Both Crewkerne and Sidmouth were involved, with the latter travelling to Cullompton, while I, took the road to Honiton to watch the Allhallows mob take on visitors Wessex, in the Devon League Division One.

HONITON 14 WESSEX 10

THE Allhallows ground was generally in good shape for this opening league fixture, with the surface certainly taking a stud. There was a negligible breeze and in fact, conditions were ideal for rugby. The home side gave their opponents the advantage of the slope in the first period and certainly had the better of the opening exchanges and play was more or less confined to Wessex territory throughout the first ten minutes.

I felt that Honiton did not make the most of their early possession and territorial advantage and it was their opponents who took the lead after some fifteen minutes' play. A good run by their right winger set the position and, although he was checked on the home twenty two, a penalty was conceded in doing so and the goal was duly kicked.

Honiton continued to have the edge however and took the lead some fifteen minutes later with a converted try, and a good try it was.

They drove through their eight initially and were held up when over the Wessex line. They spun the ball right from the ensuing scrummage however and full back Canniford came into the line to gather a miss pass and to touch down some fifteen yards in from touch. Nex added the extras and Honiton led 7-3.

Wessex should have replied immediately. Honiton were guilty of trying to run the ball out of defence, were caught in possession and conceded a penalty in front only to see the place kick go wide. Some of the referee's decisions owed more to fiction than to logic during this period and caused confusion all round but, nevertheless Honiton held their lead until the break and would have been the more satisfied side at this stage, having the slope in their favour in the second half.

Honiton deservedly increased their lead some ten minutes into the second half. A good move was checked illegally close to the Wessex line. The penalty was kicked to the corner and, from the ensuing lineup, Lois (sorry Louis) Lane crashed over halfway out. Nex's conversion kick was again accurate and his side now seemed to be in control.

Honiton were playing better rugby in the second half and moving the ball well out of contact. Their lineup was functioning well, thanks in no small part to the accurate throwing of their hooker, and they had established a very considerable edge in the set scrums. They looked to be on top against a side who committed few to the breakdown and fanned out defensively across the field but, at the last, a moment of sloppy defending let Wessex in.

A speculative kick ahead was not dealt with decisively by the home wide defence and the visitors' right winger who had been prominent throughout, followed and touched down.

The try was converted to take the score to 14-10 and all settled down to watch a tense final few minutes. The referee thought otherwise however and immediately blew his whistle for no side, leaving Honiton rather more deserved winners than the score suggests.

I believe that Honiton certainly have something to work with but need to attend to several aspects of their game. The kicking game of their midfield left a little to be desired, especially as the visitors' flat defensive formation was begging for the chip and follow.

They tried to run the ball out of defence too, when a clearing kick was the play and they did not deal with the kick ahead with any certainty. It's early days yet!

BIDEFORD 2nd 34 HONITON 2nd 0

THE young Honiton second side did not enjoy one of its better days against very useful home opposition.

Some late arrivals caused a reshuffle and, although James Coutes had a useful game at full-back, and Laughin was prominent in the centre, they conceded an early converted try when they were pushed off their own ball at a set scrum close to their line.

They buckled down but leaked another converted score after some twenty minutes and trailed 14-0 at the break.

In fact the second quarter was probably their best period. They crossed the home line but were held up and were attacking close to the Bideford line when the half time whistle blew.

They were punished for a couple of mistakes in the second half and, although they competed until the end, another

Bideford score at the last saw the home side emerge worthy winners when the whistle for no side sounded.

CULLOMPTON 13 SIDMOUTH 11

AN injury free period is essential to a successful run in a division as competitive as the South West Division One (West) and Sidmouth could hardly have got off to a worse start in this respect in their game against near neighbours Cullompton.

In a game that was destined to go right to the wire, it was the home side that took the lead via a penalty goal as early as the third minute but this was the only score of a first half during which the action was confined to midfield for the most part.

The Sidmouth eight certainly had an edge in the set scrums and drove strongly in the loose but their backs were perhaps a little "early seasonish" on occasion, while the Cullompton outsiders looked marginally the more controlled and were dangerous.

Sidmouth for their part did maul the ball to the home line, but not over it, on a couple of occasions. Entries to their injury list were made early as Derriman went off with a leg injury; then, just before the break, proceedings were held up for some half an hour with Jamie Wardrop going down with a dislocated ankle, an injury that prevented him from being moved.

Sidmouth seemingly got on top early in the second half and levelled the scores at 3-3 through a Glenn Channing penalty goal.

They were set back subsequently however when they lost two men to the sin bin within a few minutes of each other. Butel saw yellow for lying on the wrong side of a ruck, and Dare followed him for a similar offence a few minutes later, and to rub salt into the wound, Cullompton kicked a penalty in their absence to regain the lead.

On their return however, a second Channing place kick levelled the scores at 6-6, only for the final few minutes to provide the really decisive action.

With injury time looming, the home outside centre made a decisive break and had the pace to cross by the posts for what was to be the decisive score especially as his try was converted.

More was to come however as Sidmouth threw everything into a final attack that culminated in Dare diving over out wide following a tapped penalty.

The missed conversion was the final kick of the game, leaving Sidmouth feeling that this may well have been "the one that got away". They would too have felt concern at the fact that three of their players were joining Chesterton on the injury list.

PREVIEW

IT goes without saying that SIDMOUTH face a difficult fixture on Saturday next, for no fixture in the South West Division One (West) is an easy one.

Newly promoted HARTPURY COLLEGE, the side with links to Premiership side Gloucester, visit the Blackmore and will provide them with a sterner test than did Cullompton, if the early season form guide is anything to go by.

Tragically it would appear that Wardrop will be sidelined for some time and much will depend on the state of their walking wounded; Retter, Chesterton and Derriman. It is difficult to see Sidmouth winning this one.

HONITON I feel, have an easier task. They travel to take on Buckfastleigh Ramblers whose first league outing of the season it is. Honiton of course, are a side in some transition, and certainly have to work, and work hard on several aspects of their game.

It appears though that their opponents were bested in the Devon Junior Cup a couple of weeks ago by none other than Wessex, Honiton's most recent opponents and, given this strand of form, the Allhallows mob could well emerge winners.

They do not tend to travel all that well however and should take nothing for granted. As to the second sides, the Sidmouth second string will be looking for a game in the fixture pool while the third side take on Tiverton seconds in a merit table game. The colts too travel to Tiverton to take part in Merit Table action.

Honiton seconds have a tedious journey to undertake for the second week running for they travel to Kingsbridge and will have to play well there if they are to return with a win.

FRIDAY NIGHT TIGER WOES

Credition United 3
Axminster Town 0
South-West Peninsula League
Division One (East)

THE Tigers hopes of picking up points at Credition United on Friday evening to push them up into the top six found received an early set-back when Kerston scored following a defensive error by the visitors.

In the 30th minute Axminster went desperately close to levelling when midfielder Alex Wheatly's superb strike from 30-yards hit the post zipped across the goal mouth hit the other post and the Credition defence lashed the ball to safety.

The deficit was doubled in the 37th minute when Trenan scored for the hosts and despite their best efforts the Tigers just never got their passing game going, and just before half-time Szabo scored for Credition to make it 3-0.

In the second-half Axminster controlled most of the game and created some chances but never put them away - a disappointing result for the tigers.
